Von Kathleen Eagle : The Last True Cowboy before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last True Cowboy:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Kathleen Eagle at her very bestVon Ein KundeThe owner of Wyoming's High Horse Ranch, Ross Weslin hires K.C. Houston to

be the horse trainer. However, before K.C. can get to the ranch, Ross dies. Lacking funds, Ross' grandmother and one of his two sisters, Dawn, lean towards selling the spread. However, Ross' other sibling Julia, who just returned home after working in the city as a social worker, decides to try to make a go of the ranch. When K.C. arrives, he is greeted by the three grieving women. In particular the lone cowboy is attracted to Julia, who, to her own shock reciprocates. As they work together to save the ranch and Ross' dreams, they fall in love. Still, he is a drifter and she does not trust her heart so unless both can see the true value of their love, more than just a ranch will be sold. Kathleen Eagle is renowned for her sensational story telling and her latest romance, *THE LAST TRUE COWBOY*, enhances her deserved reputation. The story line is fun to read as it is a very interesting tale. The lead protagonists are a charming couple, and the support cast and the picaresque setting add much to the novel. Ms. Eagle has added a feather to her cap with this wonderful contemporary romance. Harriet Klausner 2 von 2 Kunden fanden die folgende Rezension hilfreich. *stereotypical* Von Ein Kunde The main character in "The Bridges of Madison County" called himself the last cowboy. Perhaps that is where the author got her inspiration for the hero of this book. If your idea of a romantic male is one who speaks about how he is easy to love and hard to hold and compares women to fillies then this is your book. I found both books very disappointing because of the heroes. This one has the improbable name of K.C., draws his grammar, grins his "darlin"'s likes to toss back a few brews, dance with the women folk and take a lazy smoke in the back yard. This is more western stereotype than western hero. The heroine's personality never came clear to me either. She was a social worker just shy of a PhD., yet I never felt her passion for the boys she supposedly wanted to help. The story was slow moving, involved the family but never really engaged me. I did like how the hero seemed to truly respect the heroine and finally realized how much he needed her as his center. 1 von 1 Kunden fanden die folgende Rezension hilfreich. *ONE OF KATHLEEN EAGLE'S BEST!* Von Ein Kunde Over the years I've read quite a lot of Kathleen Eagle's books. I'm always impressed by her style and her sincerity and her commitment to giving me a good read. But I truly fell in love with this book. It's not fast-paced. It's leisurely. It's not chock-full of passion. It's human. Its characters are people I could believe in, people who weren't perfect, who didn't have all the answers, but at least hadn't given up looking for them. I like books about relationships -- and this is, for my money, one of the best I've read.

Kurzbeschreibung From USA Today Bestselling Author Kathleen Eagle comes her classic western romance between a passionate cowboy and a rancher's daughter in Wyoming. *The Last True Cowboy* A cowboy is as good as his word, but what if the words are "I love you"? The first moment Julia Weslin sees K. C. Houston, she senses her world is about to be turned upside-down. The long, lean cowboy is the last of an untamed breed of men who live by their word and love by their own set of rules. And for Julia, who has returned to Wyoming and the cash-strapped High Horse Ranch, K. C. is a dream come true. He can tame a spirited horse with just a single touch, he offers to help save the ranch, and he awakens in her a need she thought she'd lost. But Julia knows that this sexy drifter would never break a promise, and while he's filled her days with loving and her nights with passion . . . he's never told her that he'd stay forever. .de When her brother dies unexpectedly, Julia Weslin joins her grandmother Sally and sister, Dawn, on the family's Wyoming cattle ranch, prepared to stay the summer before deciding whether to sell the property. Julia's attraction to women-loving cowboy K.C. Houston, the new foreman, complicates an already emotionally fraught situation, as does the discovery of a herd of wild mustangs, some of which are blind, and Julia's conflicted feelings for her flirtatious sister. Wonderfully wrought relationships--including a touching romance between Sally and a long-time ranch hand--plus vividly rendered details about horses and cattle ranching make for highly rewarding reading. --Ellen Edwards.com When her brother dies unexpectedly, Julia Weslin joins her grandmother Sally and sister, Dawn, on the family's Wyoming cattle ranch, prepared to stay the summer before deciding whether to sell the property.
