agency staffed by shapeshifters. In this story, Amiri the shapeshifter cheetah is sent to Congo to protect a doctor, Rikki Kinn. Rikki is one of the world's best virus hunters and has rushed to a scene that is apparently an Ebola attack. However, once there Rikki realises there is something else going on and when she is rescued by Amiri and his colleague Eddie it starts a game of hide-and-seek through the jungle of Congo. Their enemies are varied and they have to contend with injury, memories and fear of contamination from the mystery virus. The plot in this book is quite complex with several 'baddies', some of whom turn out not to be baddies at all. The cast of characters is fairly wide, including several different shapeshifters, but it was always possible to keep track of who was what. The highlight of the book for me was the setting in Congo and the complexity of the plot as Rikki tries to find out why so many people want to capture her. It was a good read but perhaps a little overcomplex in places for comfortable reading. Von MO The plot of this book is complex and rather "realistic" - it has the feel of a good action movie with romance thrown into it. Personally, I very much enjoyed reading it and didn't have any trouble keeping track of the various characters. Ms. Liu has a wonderful writing style - I just love the way she makes the pages come alive with scents and sounds and characters that seem touchable. Thanks, Ms. Liu, for this thrilling read! 3 von 4 Kunden fanden die folgende Rezension hilfreich. Limited enthusiasm Von bsmorgentau The Last Twilight is a paranormal romance set against a background of African civil war, mutated viruses and Ebola plagues. Doctor Rikki Kinn unknowingly gets sucked into a conspiracy while virus hunting in Africa and is rescued by cheetah shapeshifter Amiri. But they have not won free of the Consortium's ploys yet... The problems were rather too realistic and violent for my taste. I prefer my fiction to be relaxing, comfortable and undemanding, if I want problems, I only have to read the news. Also Marjorie Liu's bad guys, the Consortium, are like a hydra, whenever you strike off a head two new ones grow back. I prefer the bad guys to stay dead. Marjorie Liu has carried over such a large cast of characters from the previous Dirk Steele books that it gets difficult to keep track of who's who and where each person's alliance lies. b.s.morgentau

Kurzbeschreibung If you have yet to add Liu to your must-read list, you're doing yourself a disservice. **Booklist** A fresh thrill for anyone in the market for an extraordinary romance. **Publishers Weekly** Extraordinary is the word for the paranormal romance of New York Times bestseller Marjorie M. Liu who broke exciting new ground when she created the Dirk and Steele Detective Agency. The unique security organization comprised of psychics, telekinetics, and extraordinary supernatural beings faces its biggest challenge in *The Last Twilight*, when a powerful shapeshifter must return to his African homeland to free a beautiful virus hunter held captive by maniacs plotting the murders of millions of innocents. Superstar author Christine Feehan says, Anyone who loves my work should love Liu, and the same goes for fans of Jeaniene Frost and Nalini Singh. **Kurzbeschreibung** If you have yet to add Liu to your must-read list, you're doing yourself a disservice. **Booklist** A fresh thrill for anyone in the market for an extraordinary romance. **Publishers Weekly** Extraordinary is the word for the paranormal romance of New York Times bestseller Marjorie M.
