They haven't met up to now because Noah is a rogue and not to be trusted with virgins. Of course the dirty deed happens and Sabrina, despite the one night stand, takes off in search of an affair. He follows on the premise that he's looking out for her, but he beats all the prospective males away and of course they fall happily ever after in love in the end. Kurzbeschreibung Sabrina Walker is not having a fling with Noah Banks! And she's told him so...many times. That's fine with Noah. She's not his type anyway. He's a love-'em-and-leave-'em-smiling kind of guy who believes in true lust, and she's a former virgin who believes in true love. Not suited at all. But after their one seductive night together, Noah is hooked. He's prepared to follow her anywhere. He can't keep his hands off sexy Sabrina and he can't keep out of her oh-so-tempting bed. So he's going to prove that what she thinks isn't happening is actually the most passionate fling of his life.

ber den Autor und weitere Mitwirkende Dorie was initially struck by the writing muse at the tender age of nine, when she stayed up past her bedtime for the first time ever to finish a short story. That attempt resulted in her teacher reading her work aloud to the class, then submitting her story to Highlights magazine. Unfortunately, Dorie took the magazine's request to shorten the story as a flat rejection. Over the years she followed the muse from time to time, but didn't get serious about writing until after her third child's birth. Even then it took about five years of juggling husband, children, and nonprofit work with her writing before she finally mastered the art of rejection and landed her first sale. She now resides in Roswell, Georgia, a suburb of metro-Atlanta, with her husband, three daughters, and a big cat. When she isn't writing, she home schools her children and, with the help of a wonderful group of people, is working toward building a holistic school in her area.
