Von Sergei Lukyanenko : The Last Watch: (Night Watch 4) (Night Watch Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Watch: (Night Watch 4) (Night Watch Trilogy):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. Can't get it out of my handsVon Darijo SplihalThis is the four-th book of the tetraology about Watch-es and if you liked the first three this one you'll like also!! Since I've bought it I simply couldn't get it out of my hands...it's full of sudden fighting

and there is a totally new thing happening....but I don't want to spoil someones reading by telling what's happening....so...It's worth reading!!! It's simply great!!0 von 1 Kunden fanden die folgende Rezension hilfreich. spannende handlung- mystische weltenVon sant nicolauwer die ersten drei bcher gelesen hat, fr den ist der vierte band ein muss. wie blich steigert sich die spannung von buch zu buch und es gibt immer wieder neue spiele und intrigen.absolut empfehlenswert wenn man aus der normalen welt entfliehen will und sich auch etwas im twilight verlieren will.0 von 1 Kunden fanden die folgende Rezension hilfreich. Good BookVon MeI enjoyed the book more than many others. He can spin a good tale and it was nice to follow Anton on his further escapades.

KurzbeschreibungThe Last Watch is the stunning sequel to the Night Watch trilogy, following the fortunes of the Others. Indistinguishable from normal people but possessed of supernatural powers and capable of entering the Twilight, a shadowy world that exists in parallel to our own, each Other owes allegiance either to the Dark, or to the Light...While on holiday in Scotland, visiting 'The Dungeons of Edinburgh', a young Russian tourist is murdered. As the police grapple with the fact that the cause of the young man's death was a massive loss of blood, the Watches are immediately aware that there is a renegade vampire on the loose. Anton - the hero of the Night Watch trilogy - is detailed to this seemingly mundane investigation, but begins to realise that there is much more to the story than a wildcat vampire and a single murder, and discovers that a team of unlicensed Others are hunting for a fabled magical treasure, hidden in the sixth level of the Twilight by Merlin himself...**Pressestimmen**"As satisfying, violent and morally ambivalent as its predecessors." (Telegraph)"...the book maintains the high standards set by its precursors admirably, and we can't help but hope that it will not be the last in this exceptional series." (SciFi Now Magazine)**Werbetext**The sequel to Sergei Lukyanenko's bestselling Night Watch trilogy sees Anton investigating murder and conspiracy in Scotland.
