Von K. J. Parker : The Last Witness before purchasing it in order to gage whether or not it would be worth my time, and all praised The Last Witness:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. StunningVon DarkChaplainI absolutely loved this novella!The way the narrative, first person style depicts the

protagonist's struggles and fraying mind was excellent and unique. I was engaged right from the first section on, up til the very end. In fact, I was in so deep, I almost missed my cue to leave for an appointment today, as I couldn't bring myself to stop and finish the book after returning home. Admittedly, I cannot decide whether I hate or like the protagonist - he is oddly relatable for somebody with such a special skill (taking away memories), if despicable in his actions. But then, this kind of ambiguity, the moral grey areas, made the story so enjoyable to me. Combined with the witty writing and a plot that goes full circle, *The Last Witness* turned out to be something very special.

Kurzbeschreibung When you need a memory to be wiped, call me. Transferring unwanted memories to my own mind is the only form of magic I've ever mastered. But now, I'm holding so many memories I'm not always sure which ones are actually mine, any more. Some of them are sensitive; all of them are private. And there are those who are willing to kill to access the secrets I'm trying to bury... A classic Parker tale with a strong supporting cast of princes, courtiers, merchants, academics, and generally unsavory people. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Pressestimmen "A tight, intriguing tale that plays with notions of truth and memory." - "Publishers Weekly" "A tight, intriguing tale that plays with notions of truth and memory." - "Publishers Weekly" "A brilliantly original and breathtakingly ambitious tale which explores power, identity and redemption. *The Last Witness* is *Inception* meets *Eternal Sunshine of the Spotless Mind*. 5/5" - Geek Syndicate "A tight, intriguing tale that plays with notions of truth and memory." - Publishers Weekly "A brilliantly original and breathtakingly ambitious tale which explores power, identity and redemption. *The Last Witness* is *Inception* meets *Eternal Sunshine of the Spotless Mind*. 5/5" - Geek Syndicate Kurzbeschreibung When you need a memory to be wiped, call me.
