The Lawman of Silver Creek: A story of Desire and SeductionVon MeinMikrokosmosSome time ago, Claire turned down her fiancée because of his over protectiveness. Now, she wants him back. She seduces Matthew, the sheriff from Silver Creek, hoping that his opinion has changed since her refusal. Unfortunately, she experiences a disappointment: Matthew is still over protective and even wants her to quit her favorite occupation, writing. Sometimes, however, desire is stronger than logic and love finds its own way. The Lawman of Silver Creek is a beautifully written, entertaining novella. Author Lori Connelly tells believably how a deeper love can develop out of desire, even when logic seems to stand in the way.
