I wonder whether: 1. The author will continue the story since the terrorists attack in Palenstein has not been accounted for, and 2.

Whether the author holds his views about church-militant or he has changed it to "inquisition" which he presents in the "Covenant of the Flame". I would like a reply by the author himself.0 von 0 Kunden fanden die folgende Rezension hilfreich. A very good bookVon Melvin HuntThis book has a very good plot. Revenge from the past for the atrocities committed during the Holocaust are driven home very professionally. The characters of Drew and Saul are used to further strengthen the story. Both are drawn into the story by a unique usage of their past. After I read this book I purchased "Brotherhood of the Rose". as well as "Fraternity of the Stone". An outstanding book that will give you a different outlook of the Holocaust as well as give you a new respect for David Morrell.0 von 0 Kunden fanden die folgende Rezension hilfreich.
