Von Adam Oster : The Legend of Buddy Hero (The Defenders Saga Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Legend of Buddy Hero (The Defenders Saga Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. a fun

read, and superb characters
Von Angelika Rust
This is an easy, flowing read with one of the most likable sets of characters I've ever come across. From the reluctant anti-hero Buddy to the mastermind's petty, jealous son, each character is clearly defined, complete with their own speech pattern and choice of vocabulary. It's definitely not your typical superhero story, naturally, in that it features the most unlikely hero imaginable, but it still never quite crosses into the satire section. A fun read, it's nevertheless a serious book. I'm very much looking forward to the sequel, which, if the author's blog is anything to go by, shouldn't be too long.
1 von 1 Kunden fanden die folgende Rezension hilfreich. A must for superhero fans
Von FanSciCri
Superheroes with personal problems are nothing new, but this book takes off on a different trajectory than all the other stories in this genre. Apart from that it is finely written, has interesting characters you get to like and an interesting plotline that keeps you reading. If you like superhero stories of any kind, you simply have to read this book. It provides dry humour, suspense, gripping action and a solution which is not foreseeable but nevertheless well founded. Very well done and lots of fun.

Kurzbeschreibung "The Perfect Sunday Read" - Liz Wilkins of lizlovesbooks.com
Buddy Jackson is the world's greatest superhero. He just doesn't know it. He's unemployed, a drunk, and has a tendency to go weeks without showering; yet Buddy Jackson may be the only person capable of saving the world from total destruction. Once convinced to leave the comfort of his bar stool, Buddy battles tentacled bug-monsters, finds himself on the run from shadowy government officials, and teams up with a super-powered mafia. This adventure leads him to a final confrontation with his past self's arch nemesis, the evil minister who goes by the name of Dominion. He is hell-bent on destroying Buddy and the world which loved him. The last time this superhero and supervillain crossed paths, the entire course of history was forever changed. Buddy is now left with two options, live up to the legend he supposedly created and once again don the bright-green spandex, or allow the damnation of all mankind. Cover design by Amanda Obenhoffer
