KurzbeschreibungThis is what happens when, in the chaos of an alien apocalypse where an all-powerful galactic empire has laid the smackdown on Earth for breaking universal laws on genetic experimentation, the world's smartest human (sort of) swears to obey the galaxy's greatest assassin (definitely) on Wednesdays through Mondays, if she will give him Tuesdays in turn. It is a 85,000-word kinky romantic adventure from the Legend of ZERO series where Rat and Sam struggle to survive the Apocalypse (and each other) before they meet up with Prime Commander Joe Dobbs and the human genetic experiments that he's taken under his wing. One of a series of 8 novels and novellas created to fill the gaps between Books 3 and 4 of the ZERO series, if you're a lover of military sci-fi, space opera, first contact, apocalyptic adventure, or science fiction of any sort, sink your teeth into this one and enjoy!KurzbeschreibungThis is what happens when, in the chaos of an alien apocalypse where an all-powerful galactic empire has laid the smackdown on Earth for breaking universal laws on genetic experimentation, the world's smartest human (sort of) swears to obey the galaxy's greatest assassin (definitely) on Wednesdays through Mondays, if she will give him Tuesdays in turn. Join My Alaskan Army) Email me. No, seriously, email me. kingnovel@gmail.com. Go do it. Right now. I love keeping my ear to the very heart of the publishing industrywhich means I have to talk to you. I think entertaining and inspiring others is the most important thing about writing, and if Im doing my job right, people will actually want to tell me what they think. So, dammit, if you were entertained or inspired, I wanna hear from you. Im utterly freakin serious. In case youre still not convinced, consider this: Im a lifelong Alaskan. We do things differently here. With the roving grizzly bears (yes, I live in the Bush, not like those pussies in town) and my closest neighbor a mile away, it gets kinda lonely when its just me and my computer and a big, vast wilderness out my back door. I want to talk to the people who are reading my books, because who the hell else am I going to talk to?! In case youre concerned about writing to a complete stranger, I assure you Im totally approachable, in my random, quirky, too-much-time-without-sun kind of way. Ive spent my entire life (starting at three years old!) working on writing as an art form, and Ive poured my heart and soul into the twenty (ish) books Ive written, so you can be damn sure I want feedback. I mean, putting together these (utterly brilliant, totally awesome) masterpieces and then getting nothing but silence is like building the Eiffel Tower and having people gomeh. So shoot me an email at kingnovel@gmail.com and let me know your thoughts on the book! I respond to every email I get (though sometimes it takes longer than others). Oh, and friend me on Facebook at <https://www.facebook.com/kingfiction> (authors need friends, too) and check my Author Page <https://www.facebook.com/sknovel> for the latest writerly news and updates. Or, even better, hop on over to and check out my other character-driven series, like Outer Bounds: <https://www.com/gp/product/B01FZKDVCS/> or Millennium Potion: <http://www.com/dp/B007W6RBSE/> or, heck, even my Alaskan Paranormal/Fantasy series Guardians of the First Realm: <http://www.com/dp/B0073WZ01C/> to see some of my other compelling characters in action!
