Kurzbeschreibung This ebook consists of THE LESSON PLAN, a 22,500 word/64 page novella and excerpts from two related short stories, GRACE UNDER FIRE and TAKING LIBERTIES. THE LESSON PLAN is the first novella in the Lords of Lancashire trilogy. The first chapters of HOT UNDER THE COLLAR, the second Lords of Lancashire novella, is also included at the end of this volume. COVER COPY Sometimes, love is the hardest lesson of all... Despite her imminent debut, Miss Winifred Langston has no interest in trying on expensive ball gowns, learning intricate dance steps, or perfecting the one piece she can play on the pianoforte. Freddie would rather don a pair of breeches and go target shooting, fishing, or horseback riding than be anywhere near a ballroom or high tea. Rather than waste the last few days of her freedom on such pursuits, she invites her two closest friends to join her in one final caper. When Conrad Pearce learns of Freddie's plans, he decides it's past time to teach his younger brother's partner-in-crime a well-deserved lesson. But when he intercepts her, disguised as a highwayman, to demonstrate how dangerous and ill-advised her stunts are, he can't resist the sensual beauty hidden beneath the maddening tomboy's exterior. What began as one sort of lesson becomes quite another, as Conrad embarks on a comprehensive erotic tutorial of his surprisingly enthusiastic and adept student. Now, he only has to convince the irrepressible Freddie to trade her breeches and madcap ways for the gowns and domesticity she despises.
