Atemberaubend FesselndVon Lyssa SarachDieses Buch sollte man wirklich gelesen haben.Es ist wirklich eine
erstaunliche Geschichte wie Annas Leben bestimmt wird. Nicht nur, dass sie Regeln befolgen muss, nein, sie erfahrt
neben der Liebe auch was es bedeutet zu leiden und zu gehorchen. Sie scheint fr die Befriedigung Anderer zu leben

und lernt whrenddessen wie es ist, wenn einem der freie Wille genommen wird. Also den "Shades of Grey Fans" oder Fans des gleichen Genres unter euch rate ich euch dieses Buch zur Hand zu nehmen und zu lesen. Marissa Honeycutt hat mit "Enslaved The Life of Anna Part 1" gute Arbeit geleistet....Dies ist erst der Auftakt einer Reihe und lasst uns auf mehr hoffen. :)Wie wird Anna ihr Leben weiter leben und mit wem.. ;)SPOILERARLAM: Devin wird wahrscheinlich nicht der einzige Mann in ihrem Leben sein, oder doch?Lest dieses Buch und lasst euch berraschen, denn ich war es. :)1 von 1 Kunden fanden die folgende Rezension hilfreich. Dark, Compelling Worth ItVon FaeRhiFTC Disclaimer: This book was provided by the Author in exchange for an honest review of the book. NO monetary compensation for this review or time has been provided. The opinions expressed in my reviews are my own.I was honored enough to be a beta reader for this series and I fell in love with it right away. It's a very dark series, but so compelling that you can't help but find yourself following Anna further down the rabbit hole into the depths of depravity that await her.In Part One, you only get a glimpse of what she's gone through and what is in store for her. But believe me, as you read it, you will cringe and begin to cheer her on in your head... and when the book is done, you will be frothing at the mouth for more.Ms. Honeycutt writes so descriptively and creates a world so believable that you can't help but be drawn in and almost feel every lash of life that hits her characters. It's not quite yet up to Game of Thrones standards but believe me when I say there is a definite comparison to be made of just what hell they go through.Beware the this CAN be a trigger for some people and others will rage against the author for writing such darkness and depravity, but it is the courage behind these words and the effort to share this story with others that make me love her as an author and support her any way I can. As said in the disclaimer at the beginning, I am not being paid or given any compensation to write this -- and this is just how strongly I believe in this book series.Read it, beware that you'll be drawn in and your favorite characters will go through hell, but when you all come out of it together, it will be well worth the ride.1 von 1 Kunden fanden die folgende Rezension hilfreich. fascinating and hot readVon LivDark, darker, the absolute darkest!Annas parents died in a car accident, when she was still a child. She was raised by her guardian Devin and it was not at all a happy childhood.Anna spends years in training at Jacks House. She gets trained to be a sex slave. At her sixteenth Birthday, the training finishes and she gets send to Devins place to serve him as his mistress/sex slave.Anna never got to know making love, she was trained to have sex with men and how to pleasure them. If she was bad and didnt do as she was told, she got punished. Mentally and physically.I am sorry, but I have to tell you, that I love this book! Its incredible! Its bad and dark and just really really bad but oh so good. Its suspenseful and nerve wrecking. I suffered with Anna. It was so horrible how she got treated and raised and how she was used for sex by all this horrible men.

KurzbeschreibungAnna has been turned over to Devin Andersen, the most powerful man in San Francisco.What does he have planned for her?Is she just his mistress?Or does he have darker designs in mind?Synopsis:Annas entire life was scripted out before she was born by Devin Andersen, a man who doesnt have her best interests in mind. She is destined to be a tool in his hands to gain ultimate power in the USA. No, not as the President, but as the man who controls the President.Raised by an extremely abusive guardian, Anna was molded into the perfect tool for Devins use. Devin will use Annas unique gifts to control everyone around him and eventually take her gifts for himself.When Devin took her for himself at the age of sixteen, she had a vision of a man. A man who Devin was very interested in. But why? Why would Devin care about a young girls dreams?There is a subculture within our own world that youve only heard whispers of. The conspiracy theorists wish they knew Annas story. What the conspiracy theorists think they know is only put out there to keep them from the real story.***WARNING***This series is for grown-ups. This series is not for people who are easily offended, get nightmares easily, or have difficulty reading books about tough subjects. I do not glorify bad things, but bad things do happen to my poor characters.This is not your typical love story. My heroine does not fall in love and live happily ever after... at least not like the typical heroine. There is a happily ever after, but it is a long, painful journey to that end.Annas story is told in five, novel-length books. Consider this your introduction to Anna and her world.This series will likely offend you. This series might make you cry; it might make you throw up; it might give you nightmares. It is a dark book. As someone once said, Its dark. It gets darker. It gets even darker, and then it gets even more darker. And then, just when you think it cant get any darker, it does.But dont worry. I take you to the deep end gradually. :)There are many sexual situations in this series of books. People die. People get hurt. Things arent always truly the way they appear to be. The antagonist isnt just a bad guy; hes EVIL. My heroines worldview is skewed; things that may appall you are perfectly normal to her. Youll see why within a few chapters of Book One.All sexual acts portrayed in this book are between persons of legal age (aka 18 years old). All sexual acts portrayed in this book are between non-related persons. Any violence is non-gratuitous and crucial to the plot and character development.Do not read this if you are under the age of consent in your country. Do not get angry if the subject or actual book upsets you. If youre reading this, youve been warned.***This warning applies to the entire series. This first book is not as dark as the rest of the books.***KurzbeschreibungAnna has been turned over to Devin Andersen, the most powerful man in San Francisco.What does he have planned for her?Is she just his

ber den Autor und weitere Mitwirkende Marissa's story of Anna began with a dream about being kidnapped with Adam Savage from Mythbusters (Yes, really). Over the next year and a half, it morphed into the story that is now known as "The Life of Anna." She has several other stories in progress, one of which is based on her kidnapped dream. When she's not writing or editing, Marissa is taking care of two young boys, training to be an astronaut, running her household, wrestling with gorillas, playing around on Facebook, promoting whirled peas, and busting her tush for her accounting degree. She enjoys chocolate, air conditioning in the desert's summer heat, really good strawberry margaritas, sleeping, and shopping
