A very short story for fans of the Master of CrowsVon MinaThis really is short even for a short story. So I'll keep the review short as well: I don't recommend to read The Light within without having read Master of Crows, since it's a tale about Silhara and Martise after their joint adventure. They are invited to a religious ceremony in Silhara's homeland and in the few pages, their enjoying the feast is shown through Silhara's eyes. It's nice to be back with the two of them, even if for such a short time, but since it really isn't a whole story, I can only give it three stars. If you're fan: invest the few

cents, if not [yet] read Master of Crows.

KurzbeschreibungA bonus short story featuring Silhara and Martise from MASTER OF CROWS.In THE LIGHT WITHIN, Silhara of Neith, now known as "the god-smiter," travels as the guest of honor to the winter festival of his father's people.The crow mage who destroyed one god must ignite sacred fires in honor of another. Yet the winter festival only reminds Silhara that the brightest light within him isn't the fire of a deity but the devotion of one woman.A tale of hope and celebration.-----Author's note: This story takes place after the events in MASTER OF CROWS. It is a short story of approximately 3,700 words.KurzbeschreibungA bonus short story featuring Silhara and Martise from MASTER OF CROWS.In THE LIGHT WITHIN, Silhara of Neith, now known as "the god-smiter," travels as the guest of honor to the winter festival of his father's people.The crow mage who destroyed one god must ignite sacred fires in honor of another.
