Mma Ramotswe lernt endlich Clovis Anderson hchstselbst kennen!Von CustomerDer Autor von Mma Ramotswes "Bibel", "The Principles of Private Detection", taucht in Botswana auf, dem letzten Ort auf der Welt, an dem er jemals eins seiner in Miniaufgabe gedruckten Bcher erwartet htte, und stattet dem kleinen Detektivbro einen Hflichkeitsbesuch von Kollege zu Kollegin ab... Und heilt seine Wunden.Wie immer ein wunderschnes Buch, in dem es mehr um das Leben in Afrika, die kleinen Tragdien und Abenteuer des Alltags und das, was das Leben wirklich lebenswert macht, geht als um Kriminalflle.0 von 0 Kunden fanden die folgende Rezension hilfreich. The Limpopo Academy of Private DetectionVon John and Margaret MaystonThe next "episode" of this entertaining and pleasantly light reading series is a total success. The characters are consistently portrayed, the "love" behind the writing is clearly present. What a wonderfully human(e) picture of an African country is given here. Yes, here the "good old days" are presented to the reader. "Our Alexander" surpasses himself. Gentle suspense, gentle humour, excellent style as we are accustomed to are all to be found in this book. Please look forward to the next volume (wherever he gets the energy from). Scotland and Botswana ... what a loveable combination!1 von 1 Kunden fanden die folgende Rezension hilfreich. KurzbeschreibungMma Ramotswe and Mma Makutsi have always relied on the advice of the classic guide to their trade, The Principles of Private Detection. But who is the eminent author, Mr Clovis Andersen, and what if he were to come to Botswana? That seems a very unlikely possibility, and yet . . . When Mr Andersen visits Botswana on holiday, he is delighted and intrigued to stumble across a roadside sign that reveals the existence of the No.1 Ladies' Detective Agency. Professional courtesy suggests that he call and announce himself. Meanwhile, Mma Makutsi and Phuti Radiphuti are embarking on married life and building a new house - a tricky business under any circumstances but especially hazardous when the name of the contractor is the Joy and Light Building Company.PressestimmenINTERNATIONAL BESTSELLERDoes not disappoint.... Wonderful and addictive. newbooksSmith wisely doesnt tamper with his winning recipe for literary comfort food.... As always, the detection is secondary to Smiths continuing exploration of the rhythms and social dynamics of small-town African life. Publishers Weekly (starred review)I love Mma Ramotswe more and more.... These books always leave me feeling more positive, more optimistic, more content. Fans will find nothing disappointing here, other than the soft sigh as you turn the final page, knowing you must wait a little time again for the next installment! The Bookbag (UK)PressestimmenPraise for The Limpopo Academy of Private DetectionPart of the brilliance of this series (now in its thirteenth entry) is that what may seem like tiny cases expand into considerations of virtue, love, ambition, greed, and evil . . . McCall Smiths novels are both very meditative and laugh-out-loud funny.
