Von Anne Tibbets : The Line Book Two: Walled before purchasing it in order to gage whether or not it would be worth my time, and all praised The Line Book Two: Walled:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice conclusion Von Johanna I remember Carrier by Anne Tibbets quite well. I enjoyed the story of a former sex slave, how Naya fought for her future and to save other girls from the Line. At the beginning of Waller, I had a hard time finding

back into the story again. Anne Tibbets has a very unique style of writing. It is simple and to the point, almost clipped, but not unattached, hard to describe really. But soon I was invested again and I couldn't stop reading. For me, personally, it was most interesting to follow the development of Naya's character. How she experienced her personal freedom was wonderful. She still had to overcome all the years of countless rapes and degradation. Naya was a strong female lead but not perfect. She made mistakes and I couldn't understand how a mother would actually say that the whole changing diapers business just wasn't for her. But that's also human and I still liked her. I just wished she had found a more interesting man than Ric. Ric was such a weak and constantly whining and blushing man. He couldn't even think about sex without the heat creeping into his face. He followed Naya everywhere, even against his own personal beliefs. He went along with all her plans without contributing any essential parts on his own. Ric wasn't the least bit sexy or interesting which really was a pity because I thought that Naya deserved someone like that. In *Walled*, the whole plot took up a new dimension which I enjoyed a lot. Many things from the first book were put into perspective and the author tried to take up all loose plot points to wrap it up nicely in the end. The epilogue was a little bit wooden but I still had so much fun with this book that I gave it four stars. I hope Anne will keep writing books and I'm curious to see what she'll come up with next.

Kurzbeschreibung Freedom means making brutal choices. Rebel lovers Naya and Ric have survived one year in hiding, raising Naya's twins from infants to toddlers in the shadow of the brutal Auberge dictatorship. They're alive, and they're together, but the city is crumbling around them and the haunting memory of Naya's dark days on The Line have never fully left them. Living in isolation won't be an option forever. When a mysterious revolutionary seeks their help to infiltrate Auberge's electronic heart and shut it down, it's an opportunity it's risky, yes, but if it works they'll get out of the city and taste freedom for the first time. Naya needs this. They need this. Beyond the broken walls of Auberge, Naya and Ric find the paradise they've always longed for. But with anarchy reigning and Naya's children lost amidst the chaos, they'll need to forfeit their post-apocalyptic Eden or commit an unspeakable act. Book two of two 71,000 words
