Kurzbeschreibung The thrilling conclusion to the Justar Journal! For longer than anyone knew, they were there. Before half the world died, before the lies became the truth, before anyone understood, the List Keepers were there . . . waiting. Inside the books, it had predicted everything, the Banoff, the Aylantik, the AOI, the Doneharvest, the end, and even itself. The Justar Journal had always been there . . . waiting. With so many secrets hidden, Grandyn discovers something more extraordinary than he ever dreamed. The AOI must stop him from sharing it; they are far from his biggest problem. Blaise, Deuce, and Lance all need to control the secret. But the greatest danger may be the Trapciers, who must destroy it. He can only count on one person. She's been waiting . . . and she belongs to the List Keepers. When searching for the truth, you may find it never existed. Kurzbeschreibung The thrilling conclusion to the Justar Journal!
