What can one say about Grisham?Von Mag Darlene McgeeHis style, his characters, plot and all the little southern things that remind me of people I know from the south come to life in his works. This is just another story worth a nice weekend when you just want to read and tell the world to go away!1 von 1 Kunden fanden die folgende Rezension hilfreich. John Grisham "The Litigators"Von MartinGood, quick reading but not one of his best! Suspense is there but not on thriller level. Good for a Sunday afternoon or bedtime reading session.

KurzbeschreibungThe partners at Finley Figg often refer to themselves as a boutique law firm. Boutique, as in chic, selective, and prosperous. Oscar Finley and Wally Figg are none of these things. They are a two-bit operation of ambulance chasers who bicker like an old married couple. Until change comes their wayor, more accurately, stumbles in. After leaving a fast-track career and going on a serious bender, David Zinc is sober, unemployed, and desperate enough to take a job at Finley Figg. Now the firm is ready to tackle a case that could make the partners richwithout requiring them to actually practice much law. A class action suit has been brought against Varrick Labs, a pharmaceutical giant with annual sales of \$25 billion, alleging that Krayoxx, its most popular drug, causes heart attacks. Wally smells money. All Finley Figg has to do is find a handful of Krayoxx users to join the suit. It almost seems too good to be true . . . and it is.Includes an excerpt of John Grishams Calico Joe and a special preview of his upcoming novel The Racketeer .PressestimmenNo one does it better than Grisham Daily Telegraph A superbly plotted legal thriller Sunday Express The best thriller writer alive -- Ken Follett Grisham is a superb, instinctive storyteller The TimesPressestimmenPraise for John Grisham:'The best thriller writer alive' -- Ken Follett, Evening Standard 'His stories are ferociously plot driven: they will keep you awake all night' -- Independent on Sunday 'Grisham is a superb, instinctive storyteller' -- The Times 'Few writers have so much to say, the skills to make reading what they say an irresistible pleasure - and the clout to say it to an audience of millions' -- Independent 'Enthralling characters and mesmeric plot' -- Time Out 'As exciting as a car chase with a load of dynamite thrown in' -- Daily Mail 'Grisham reigns supreme' -- Sunday Express 'No one does it better than Grisham' -- Daily Telegraph 'Grisham knows what he's doing. You won't want to put it down!' -- Press Association 20111112 'After a slow build setting the scene, the case turns pear-shaped; and by the time we get to court, there's a compelling argument for readers to demolish this classic page-turner in one epic sitting.' -- Townsville Bulletin 20111119 The Litigators reminds fans of this genre just what a creative genius Grisham is. A very entertaining read.' -- Launceston Examiner 20111112 'Grisham is back on top form with this courtroom thriller... Unusually for Grisham he is injecting quite a lot of humour into this book which I found worked really well...
