An all time favorite!Von Gin TemoshawskyI got this book years ago and fell in love with the story all over again. the illustrations are beautiful! I lost the book and was so happy to find it here at after haunting bookstores for years. I couldn't tell by a list of title which one was mine! I recognized the picture had immediatly. This book would be for the older child or an adult. I got a copy for my daughter anyway so she can grow into it.1 von 1 Kunden fanden die folgende Rezension hilfreich.
