Wow...such an amazing read!!! Von Lily M. "The Locked Heart: A BDSM Romance" by Christina Thacher is an erotic romance story and let me tell you that I really enjoyed reading this book. Just in a few hours I read the entire book...I couldn't put it down and I was disappointed when it ended. I hope that the author will be continuing by making it a Series.I highly recommend this book (even if you're not into BDSM, you'll like it...).

KurzbeschreibungDarby just wants a drink when the airline cancels her flight, but she gets more: she gets noticed by Damien, a handsome man who wants to spend the night with her. Darby loves being dominated, so she travels to The Aerie, the private BDSM sex club Damien frequents, to see if she really is a submissive. At The Aerie, Damien's normal detachment fails him with Darby. He's obsessed with her enthusiasm and grace but he's locked his heart against her love. Warning: This book contains scorching hot scenes of BDSM sex between a blackhearted Dom and a natural sub, but don't be fooled: it's really a romance. Approximately 30,000 words.
