**Von Vanessa North : The Lonely Drop (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Lonely Drop (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice read Von Ari It was an interesting story and well written, the characters were likeable and well thought out and described. In the beginning, I was a bit confused as to how to place the main character's love interest, but that was resolved soon as well. I actually find the characters quite realistic, same as those misunderstandings weren't some of those forced ones some authors come up with to add tension or whatever to the story, but it was well explained and

understandable. Would read it again (probably will)

Kurzbeschreibung Ten years ago, best friends and soccer buddies Nick Hana and Kevin Dorsey were inseparable until Kevin put the moves on virginal Nick on the eve of their college graduation. Not wanting to be just another notch in Kevins bedpost, Nick turned him down and lost his new phone number. A chance reunion brings the two together again, and the attraction and caring are as strong as ever. Cocky, gorgeous Kevin makes it clear he still wants Nick, but Nick needs more than he thinks Kevin can give. A slow dance and a snow storm give them a chance to clear up the misunderstandings of their past, but can one night of passion bridge ten years of silence? This title was originally published as part of the Goodreads M/M Romance Groups Dont Read in the Closet event, Loves Landscapes.
