The three friends are so different they cover quite a range of lesbian life, affairs, sex, sports and what else. I felt a bit like reading the L-Word script. The characters, the humour

and the pace match. So, while this is in no way a serious novel it is a great read.0 von 0 Kunden fanden die folgende Rezension hilfreich. A surprise birthday outing and a dashing, dark-eyed submissive transform Bren's fantasies into reality and her dark secrets into delicious pleasures.Synopsis Candace Lory is a high-power commodities trader and swinging playgirl who meets her match when she hooks up with older, butch corporate attorney, Parker Jones, an associate of Candace's ex-lover, Liz Ramsey. Parker is as much a swinger as Candace but try as they might, the two can't seem to stop repeating their one night stand. Brenda Beal writes bestselling erotic romance novels under a pseudonym even her closest friends don't know. One of the only members of "the group" who didn't sleep with every available woman during college, Bren would rather fantasise about a perfect lover than have one, especially if she's obedient and willing to do anything Bren orders. A surprise birthday "trip" and a dashing, dark-eyed submissive transforms Bren's fantasies into reality and her dark secrets into delicious pleasures.Attorney Liz Ramsey thought she had everything - a devoted partner, a challenging job, and plans for a family in the making. Unfortunately, as soon as the test strip turned blue, her lover Julia got cold feet and left her. Now pregnant, Liz bumps into, literally, young surgeon Riley Danvers during an appointment at the University Hospital.Conversation leads to coffee, but despite Riley's charms, courtship is not part of Liz's plans.
