Von W.S. Haggard : The Long Engagement (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Long Engagement (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Love it!
Von Julia Kre'The Long Engagement' is a wonderful and romantic book.It was a pleasure to read it and everyone

should read the lovely story of Susan and Garret.

KurzbeschreibungHave you ever wondered what happened to your first love? Or what you would do if you had a second chance to get things right?The Long Engagement is a story about just that. It's about lost love and second chances. But it's also about this messy thing called "life" - difficult marriages, questionable relationships, divorce, and how we try to pick up the pieces and move on. It's a story about choices and regrets, and how we often live our lives to please others instead of trusting and following our own hearts. It will inspire you to ask yourself, "What would I do if I had a second chance at first love?"KurzbeschreibungHave you ever wondered what happened to your first love? Or what you would do if you had a second chance to get things right?The Long Engagement is a story about just that. It's about lost love and second chances. But it's also about this messy thing called "life" - difficult marriages, questionable relationships, divorce, and how we try to pick up the pieces and move on. It's a story about choices and regrets, and how we often live our lives to please others instead of trusting and following our own hearts. It will inspire you to ask yourself, "What would I do if I had a second chance at first love?"ber den Autor und weitere MitwirkendeI grew up in the ex-pat community of ARAMCO, in Dhahran, Saudi Arabia, where I was exposed to many different nationalities and where I began my love affair with travel. The experience fostered a curiosity about the world that I hope will come through in my writing. I like to write about flawed characters who are searching for meaning and purpose in their lives. Like them, I want to understand the "why" of this thing we call life. I prefer to read stories along the same lines, stories that make me think and feel and that ultimately stretch the boundaries of my beliefs.
