Drama, Liebe und Wahnsinn im Lake DistrictVon Ein KundeJay, eiskalter Killer und seit 20 Jahren politischer Attentter auf der ganzen Welt, verfehlt sein Ziel und beschliet, sich zur Ruhe zu setzen. Er kauft ein kleines Haus, verliebt sich in eine Frau und mimt fortan den Kinderfreund. Doch als er mehr ber die Familie seiner Flamme erfhrt, holt ihn seine

Vergangenheit wieder ein ... Von der sehr konstruierten Story einmal abgesehen, bietet dieses Buch alles, was ein guter Thriller braucht: Atemlose Spannung, strömische Leidenschaft, sehr gut gezeichnete Charaktere und ein Setting in einer Landschaft, die der Dramatik und Romantik der Geschichte voll entspricht. Man ahnt zwar bald, worum es wirklich geht, aber das tut der Spannung keinen Abbruch. Sie gipfelt in einem furiosen Schluß, der einen gabelnd zurückt. Wer des Englischen mächtig ist, sollte es im Original lesen, denn die Sprache von Reginald Hill ist ein Genuß. Man kann diesem großartigen Autor nur wünschen, in Deutschland bald genauso viele Fans zu haben wie in seiner Heimat.

Kurzbeschreibung One of Britain's most consistently excellent crime novelists The Times [Reginald Hill] keeps one on the edge of one's wits throughout a bitterly enthralling detection thriller Sunday Times Where better for a hitman to retire than in the Lake District, where the air is healthy and the scenery spectacular? And when Jay Smith meets attractive young widow, Anya Wilson, he can't believe his luck. But Jay Smith soon discovers that settling down to the quiet life is not as easy as it seems. His old employers aren't keen to lose him, his past is always lying in wait, and when Anya introduces him to her family, Jay Smith realizes there's no way out. He's back in business, and it makes little difference that this time it's to defend, not destroy. However you wrap it up, his one accessible talent is the Long Kill. Pressestimmen `Reginald Hill writes brilliantly throughout, creating memorable characters with chiselled skill' Sunday Times `Hill is among the most entertaining and invigorating detective novelists writing at present' TLS Kurzbeschreibung One of Britain's most consistently excellent crime novelists The Times [Reginald Hill] keeps one on the edge of one's wits throughout a bitterly enthralling detection thriller Sunday Times Where better for a hitman to retire than in the Lake District, where the air is healthy and the scenery spectacular?
