Sehr gute FortsetzungVon Thomas BhringerNach dem "Ill made Knight" geht es hier nicht weniger spannend weiter.Ich liebe historische Serien und Cameron braucht sich hier definitiv nicht hinter Cornwell zu verstecken.Ich hoffe, dass diese Reihe genug Anklang findet um weiter fortgesetzt zu werden!0 von 0 Kunden fanden die folgende Rezension

hilfreich. Cameron eröffnet eine neue Welt! Von Gary Braun In meinen Augen noch besser als das erste Buch. Ich war zunächst etwas skeptisch was den Hintergrund der Story angeht, aber Christian Cameron mahlt ein spannendes Bild der Zustände des 14. Jh. in Italien. Tolle Geschichte! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Waiting for part 3 Von J. Cornels The story just doesn't lose its momentum. In my opinion the "ill made knight" and "the long sword" are among the best books of this kind.

Kurzbeschreibung 'One of the finest historical fiction writers in the world' Ben Kane Pisa, May 1364. Sir William Gold is looking forward to a lucrative career as a hired sword in the endless warring between Italy's city states. But when a message comes from the Grand Master of the Hospitaliers, William is forced to leave his dreams of fame and fortune behind him. The Hospitaliers are gathering men for a crusade, and Sir William must join them. Yet before they set out for the holy land, the knights face deadly adversaries much closer to home . . . In the twisting politics of Italy, no one can be trusted. And there are those who would be pleased to see the crusade fail . . . Can Sir William and his knights survive this impossible mission into the heart of the enemy? Pressestimmen The battles...are described with enormous verve and power. The ruthless intrigue and politicking that dominate his court are also brilliantly evoked. And, as fate and his own insatiable desire for conquest and glory drive Alexander towards death in Babylon at the age of 32, a genuine sense of an extraordinary personality emerges SUNDAY TIMES on God of War "[A] great page-turner ANCIENT WARFARE "The minutiae of military logistics, the mediations in inter-tribe rivalries, and the casual contemporary scene-setting prove unexpectedly engrossing...a sword-slash above the rest of its ilk IRISH EXAMINER "A sweeping, deeply moving epic that takes the reader into the heart of a different time and culture HISTORICAL NOVELS REVIEW "Cameron's ability to conjure up what Homer called "the battle haze" might make the ancient bard proud GLOBE AND MAIL "Werbetext 'One of the finest historical fiction writers in the world' Ben Kane
