**Von Cheryl Reavis : The Long Way Home** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Long Way Home:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An absolute-no-doubt-about-it keeperVon Ein KundeWonderful story about redemption, strength and love in a 250 page book. "Ready" Rita is a gritty, mouthy, long-legged former Las Vegas showgirl with a very dark and complicated past. But she's back home again to make things right and along the way she meets a wounded, troubled soldier who needs Rita more than he or she realizes. Rita is a one in a million character. Readers tired of simpering, shy vestal virgins better hold on to their hats, cause Rita is definitely not. A realistic plot that has great heart and suprising depth. This is a great book. Sequel to LITTLE DARLING, Reavis' previous SSE. Loved it.0 von 0 Kunden fanden die folgende Rezension hilfreich. FANTASTIC!!Von Ein KundeI loved this book....it is definately a "keeper". It is extremely well

written....I couldn't put it down. The characters and story are fantastic and very hard to let go of...I wished it had been longer. Also, the ending is incredibly wonderful!!

KurzbeschreibungTHE LAST THING RITA NEEDED WAS TROUBLE.Spitfire Rita Warren had made some big mistakes before leaving her hometown and heading for the bright lights of the big city. Now she was back, to make things right. To prove that she was as good as everyone else in town. Good enough to love. Good enough to deserve the bestLIEUTENANT "MAC" McGRAW HAD TROUBLE WRITTEN ALL OVER HIM!Though the sexy officer was ornerier than a bee-stung bear, Rita could see right through the bluster to the man underneatha soldier tormented by memories. But McGraw was too good a man to bury himself with guilt. Too good a man to deny himself a family. And Rita was the woman to prove to him the best was yet to come.KurzbeschreibungTHE LAST THING RITA NEEDED WAS TROUBLE.Spitfire Rita Warren had made some big mistakes before leaving her hometown and heading for the bright lights of the big city. But McGraw was too good a man to bury himself with guilt. Too good a man to deny himself a family. And Rita was the woman to prove to him the best was yet to come.AutorenkommentarTHE LONG WAY HOME--Rita Warren had made some BIG mistakes, but she'd come home now to set things right, to prove she was as good as everyone else. Good enough to love. Good enough to deserve the best. She didn't need any distractions -- especially one like Lieutenant "Mac" McGraw. But she could see right through his anger to the tormented soldier underneath. He was too good a man to bury himself in guilt -- and she was just going to have to do something about it....
