**Von Kathleen O'Reilly : The Longest Night (Mills Boon Temptation)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Longest Night (Mills Boon Temptation):

Kurzbeschreibung Sexy, single and stacked. That's how most men in the Windy City would describe the infamous Cassandra Ward. And Cassandra is happy to play along providing her men follow her rules. No touchy-feely emotions.

Just white-hot sex. But when Noah Barclay, heir to the family empire, propositions her at a wedding, he's got more on his mind than a quick fling. He wants her totally and completely. For Noah, Cassandra is the woman of his dreams literally. In fact, he can't get the image of her dark mane, voluptuous curves or kissable lips out of his head. But her gorgeous body is just the start. He knows Cassandra is in need of some TLC, but will a kiss and one sizzling night, which leave her breathlessly begging for more, be all that it takes to convince her?
