Fr mich spiegelt es die wundersame Atmosphre der Geschichte

wieder und ldt zum Trumen ein :-)) Auch schenkt der etwas grere Buchstabendruck (geflhte normale Buchstabengre) ein angenehmes Leseerlebnis.0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderbar verarbeitet!Von Buchdracheber den Inhalt braucht man nichts zu schreiben, der ist ohnehin umwerfend. Ich wollte eine etwas stabilere einbdige Ausgabe des Lord of the Rings und die bekam ich hiermit. zudem auch noch relativ preisgnstig! Es sind alle Karten enthalten, also die des Auenlandes, von Mittelerde und von Gondor und Mordor. Auch die Anhng sind enthalten. Auer Illustrationen ist hier also alles dabei, das man sich nur wnschen kann. Zudem ist das Buch ein echter Hingucker im Regal mit seiner samtene Haptik und dem eleganten Grau mit der Goldprgung.1 von 1 Kunden fanden die folgende Rezension hilfreich. Great book.Von Kindle CustomerI got a second hand copy of the book because I believe books are not bad because someone else read it first. Good copy. I haven't read it yet, nor seen the film...I'm looking forward to reading it.The damage mentioned in the stamp was just a little rip in the spine of the cover. Nothing too terrible. Easily fixed with a little dab of glue.

There he must destroy the Ring forever and foil the Dark Lord in his evil purpose.Since it was first published in 1954, The Lord of the Rings has been a book people have treasured. Steeped in unrivalled magic and otherworldliness, its sweeping fantasy has touched the hearts of young and old alike..deLet's face it--even some adults find Tolkien's mammoth fantasy a daunting mouthful but children now have this special seven-book box set of The Lord of The Rings to make the epic tale just that bit easier to chew on. Split into its seven constituent parts, these slim volumes tell the ageless tale of young Frodo's quest to destroy The Ring and defeat the forces of evil. It's beautifully presented in a black presentation box with the movie logo and an illustration on the side and the spines of the books also form the movie logo. A contemporary look and plenty of "cool appeal" will grab kids' interest and ensure they don't miss out on reading this classic of the genre. --Jonathan Weir.co.ukLet's face it--even some adults find Tolkien's mammoth fantasy a daunting mouthful but children now have this special seven-book box set of The Lord of The Rings to make the epic tale just that bit easier to chew on.
