Von L. E. Modesitt Jr. : The Lord-Protector's Daughter: The Seventh Book of the Corean Chronicles before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lord-Protector's Daughter: The Seventh Book of the Corean Chronicles:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
irreführende BuchbeschreibungVon Gregor Eisenhuth's vornweg: ich liebe Modesitt's Fantasy-Bücher und ganz besonders die Corean Chronicles! Diesmal bin ich aber etwas enttäuscht, weil die Kurzbeschreibung doch sehr in die Irre führt. Dieses Buch spielt ca. 300 Jahre nach Soarer's Choice und dem Cataclysm. Man erfährt eine Menge, wie es mit dem Cadmian Mykel anschließend weitergegangen ist. Der Plot entwickelt sich jedoch ganz anders, als die Beschreibung des Herausgebers vermuten lässt. Der Anfang stimmt, Mykella (nach dem großen Mykel benannt) entdeckt Unregelmäßigkeiten bei den Finanzen, die dann rasch ein erstes Opfer fordern und den Verdacht des Lesers bestärken. Von der Reihenfolge aber beginnt bereits da der Prozess der Entwicklung ihres typischen "Talents" der Corus-Welt sowie die Perspektive, dass die Töchter des Lord-Protectors weg-verheiratet werden sollen. Erst gegen Ende des Buchs geht dann alles ganz schnell mit der angekündigten Serie von Unfällen/Attentaten. Mykella jedoch kann nichts beweisen, das ist das ständige Dilemma der geplagten Person. Am Schluss greift sie mit ihrer Magie ein und es gibt das gewohnte Happy Ending. Diesmal aber bleibt ein fader Nachgeschmack, aber das soll der Leser selbst entdecken...0 von 0 Kunden fanden die folgende Rezension hilfreich. Great BookVon M. E. HolladayI love Sci Fi and this did not disappoint. It is a really great read and I highly recommend it.

KurzbeschreibungL. E. Modesitt, Jr., author of the bestselling Saga of Recluce fantasy series, opens the door into a marvelous new world. Millennia ago, a magical disaster caused the fall of a great worldwide civilization, the end of a golden age. New civilizations have fought their way up from the ancient destruction and chaos, knowing little of the lost world that preceded them or the details of its fall. Corus today is a world of contending countries, of humans, but also of strange animals and supernatural creatures. It is a place of magical powers, and of a few people who are talented enough to use them. Mykella, the eldest daughter of the Lord-Protector of Lanachrona, discovers that someone is diverting significant sums of money from her father's treasury. While investigating, she uncovers more than she bargained for, and is sent by an ancient soarer to find her Talent in order to save her land and her world. The Corean Chronicles Legacies Darknecesses Scepters Alectors Choice Cadmians Choice Soarers Choice The Lord-Protectors Daughter Lady-Protector Other series by this author: The Saga of Recluce Imager Portfolio The Spell Song Cycle The Ghost Books The Ecolitan Matter At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Pressestimmen "A thunderous, satisfying climax.... Modesitt's panoramic, battle-filled final installment ranks among his best work." --Publishers Weekly "(starred review) on 'Soarer's Choice'" "The characters have become more fascinating with each novel; moreover, this one includes even more action than either of its predecessors...which contributes mightily to bringing the adventures of Dainyl, Alector of Corus, and Mykel, an officer in the native military corps, to a stunning conclusion while leaving enough unanswered questions for many more Corean stories." --Booklist "(starred review) on 'Soarer's Choice'" "A powerful, enthralling, and exciting fantasy epic." --Midwest Book "on" Scepters "KurzbeschreibungL.
