What a brilliant conclusion Von wjms I really enjoyed all he books in this series, but think that this last one has undoubtedly been the best of the lot. Well paced, with a story line which flows well, the saga ends in a truly magnificent fashion. Thank you to James Maxwell for the journey. I look forward with relish to the next tale he crafts. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Interesting Plot, sometimes a bit long Von H. Schaper Story is well written, sometimes a bit to extended, but quite interesting and entertaining. I can recommend this to every fantasy fan.

Devouring fantasy and science-fiction classics from an early age, his love for books translated to a passion for writing, which he began at the age of eleven. Inspired by the natural beauty around him but also by a strong interest in history, he decided in his twenties to see the world. He relocated to London and then to Thailand, Mexico, Austria, and Malta, developing a lifelong obsession with travel. It was while living in Thailand that he seriously took up writing again, producing his first full-length novel, Enchantress, the first of four titles in his internationally bestselling Evermen Saga. When he isn't writing or traveling, James enjoys sailing, snowboarding, classical guitar, and French cooking.
