**Von J.R. Rain : The Lost Ark (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lost Ark (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. ab Seite 84 gehts abwrtsVon StolliebbsGrottenschlechter Indiana Jones Verschnitt, ab Seite 84 wirds massiv unglaubwrdig.

Habs ausgelesen in der Hoffnung es würde besser, doch es wurde immer hahnebüchener. Um den Schluss mitzubekommen habe ich viele unerträgliche Passagen überlebt. Schade, der Autor kann auch anders. 0 von 7 Kunden fanden die folgende Rezension hilfreich. durchaus nett zu lesen - starker Anfang, gute Idee, aber zum Schluss hinaus etwas ... naja seicht und unglaubwürdig !!! Von Jürgen Kupke Seit ich meinen Kindle besitze, lese ich nur noch englischsprachige Bücher. Habe mir ein Wörterbuch Deutsch-Englisch für 3,00 EUR heruntergeladen und hinterlegt. Mit jedem Buch werden meine Vokabel-Kenntnisse besser. Try it !!!

**Kurzbeschreibung** In a lonely bar in eastern Turkey, ex-National Geographic photojournalist Sam Ward is hired to find an eccentric professor who disappeared high atop Mount Ararat, fabled resting spot of Noah's Ark. Accompanied by the professor's beautiful daughter, archaeologist Faye Roberts, Sam soon stumbles upon a secret stronghold a base of operation for unleashing hell on earth. Now running for their lives, Sam and company are about to come face-to-face with the greatest archaeological discovery of all time....\*\*Acclaim for the novels of J.R. RAIN\*\* "Gripping, adventurous, and romantic J.R. Rain's THE LOST ARK is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!" James Rollins, international bestselling author of ALTAR OF EDEN and THE DOOMSDAY KEY "I enjoyed MOON DANCE immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness not of spirit, but of body. 'You sicken me and scare the hell out of me,' he tells her. 'And when I touch you it's all I can do to not gag.' She replies, 'Words every wife wants to hear.' I love this! She really doesn't deserve to be frozen out of her marriage, yet his attitude is understandable. In the course of the novel she solves the mystery she is tackling for a client, and finds a new romantic interest. What makes it special are her character and nature. I sure wouldn't have kicked her out of bed. I recommend it as light reading, odd as that may sound." Piers Anthony, New York Times bestselling author of A SPELL FOR CHAMELEON and ON A PALE HORSE "MOON DANCE is absolutely brilliant!" Lisa Tenzin-Dolma, author of UNDERSTANDING THE PLANETARY MYTHS "MOON DANCE is a must read. If you like Janet Evanovich's Stephanie Plum, bounty hunter, be prepared to love J. R. Rain's Samantha Moon, vampire private investigator." Eve Paludan, author of LETTERS FROM DAVID "Impossible to put down. J.R. Rain's MOON DANCE is a fabulous urban fantasy." April Vine, author of THE MIDNIGHT ROSE "DARK HORSE is one of the best books I've read in a long time! A great classic detective story with a modern twist. Unique and interesting characters (I think I'm half in love with Jim Knighthorse now!), a great plot that kept me guessing until the end, and some of the funniest lines I've read anywhere. Rain does an amazing job of blending suspense, mystery and humor in this fantastic debut novel destined for the keeper shelf." Gemma Halliday, award winning author of SPYING IN HIGH HEELS "I totally loved THE BODY DEPARTED. As someone who communicates with those who are either earthbound or have crossed over your descriptions and interpretations of the dialogue and circumstances could not have been written more accurately. My favorite scene is the one of Jesus stepping down from the cross and then the passionate and compassionate way it was treated as he went back to the cross. I will relive that for a long time to come. You're a wonderfully descriptive writer who paints a very creative, visionary canvas based in a paranormal palette that only a few experience and many can enjoy. Thank you for your talent." Julie Belmont, author of THE PATH TO PERSONAL SUCCESS AND FREEDOM
