FINALIST: 2016 National Indie Excellence Awards
FINALIST: 2016 International Book Award Mystery/Suspense Category
A woman and her young son flee to a convent on a remote island off the Breton coast of France. Generations of seafarers have named the place Ile de la Brume, or Fog Island. In a chapel high on a cliff, a tragic death occurs and a terrified child vanishes into the mist. The child's godmother, Maggie O'Shea, haunted by the violent deaths of her husband and best friend, has withdrawn from her life as a classical pianist. But then a recording of unforgettable music and a grainy photograph surface, connecting her missing godson to a long-lost first love. The photograph will draw Maggie inexorably into a collision course with criminal forces, decades-long secrets, stolen art and musical artifacts, and deadly terrorists. Her search will take her to the Festival de Musique, Aix-en-Provence, France, where she discovers answers to her husband's death, an unexpected love and a musical masterpiece lost for decades. A compelling blend of suspense, mystery, political intrigue, and romance, *The Lost Concerto* explores universal themes of loss, vengeance, courage, and love.

Pressestimmen
Taking the form of a concerto, this second novel from Mario (Firebird) is divided into three action-packed emotional movements. Consumed by grief, recently widowed Madgalena O Shea is disengaged from her life as a concert pianist. When her best friend Sofia is murdered and her godson disappears, Maggie becomes embroiled in a conflict that is at once global and deeply personal. The agent investigating Sofia's death shares with Maggie a photograph recently taken in Paris and a recording of an unpublished concerto. She recognizes the piece as a composition by her first love, lost in war-torn Beirut 30 years ago yet impossibly alive in the Paris photo. Vowing to find her godson and the truth, Maggie hastens to France, unaware that the trail she follows will lead to stolen art, musical artifacts, criminals, and terrorists. VERDICT Music is not just backdrop here but also a character that permeates Maggie's life. With the help of a vigilant retired colonel and bolstered by the transformative power of classical music, Maggie finds what has been lost, including herself. Brava! Library Journal (Starred)" With a musician's attention to the emotions that help us create a picture of our world, Helaine Mario weaves imagery with a thrilling plot." ForeWord's" Picturesque, passionate and pulse-pounding, Helaine Mario's second novel is a gem of a thriller that has the taste and aroma of a perfectly blended wine. The author has given us entrances into classical music, art theft, terrorism, clandestine government operations and romance This is a bravura thriller performance from a writer whose lyrical prose works well in counterpoint to the music aspects of the story line. She hits all the right notes. Florida Weekly" At the start of this suspenseful, heartrending novel from Mario (Firebird), Sofia Orsini and her young son, Thomas, are in flight from Sofia's husband, Victor, the target of U.S. Justice Department special agent Simon Sugarman, who suspects Victor of funding an impending terrorist attack on American soil. Sofia and Thomas take refuge in a church on an island off Brittany, where a killer strikes Sofia down. Thomas disappears. Ten months later in Boston, Simon uses some devious arguments to persuade recently widowed music shop owner and concert pianist Maggie O Shea, Sofia's closest friend and Thomas's godmother, to help him locate Victor and the missing boy. Maggie becomes ensnared in a perilous game of cat and mouse that moves between France and America and brings her into contact with murderers, terrorists, and CIA agents. Musical artifacts and stolen art also figure in the action, which builds to a highly satisfying resolution...fans of romantic thrillers will be enthralled. (July) Publishers Weekly" Holy smokes, this story takes a reader on an intriguing journey! There are twists and turns that one never sees coming, making this a real page turner. Even after having to set it down for a few days, one will pick it back up and be sucked right back in. Mystery, murder, intrigue, terrorism, stolen music and artifacts....there is a lot going on in this story, but Ms. Mario keeps the flow going so well that it's easy to keep track of all the players. Maggie is heartbroken but finds the strength she needs even in the face of danger, and a love interest to help her find her way back to life...sigh. Brava Ms. Mario, Brava!!"--InD'tale Magazine" With a musician's attention to the emotions that help us create a picture of our world, Helaine Mario weaves imagery with a thrilling plot."--ForeWord's" At the start of this suspenseful, heartrending novel from Mario (Firebird), Sofia Orsini and her young son, Thomas, are in flight from Sofia's husband, Victor, the target of U.S. Justice Department special agent Simon Sugarman, who suspects Victor of funding an impending terrorist attack on American soil.
