Kurzbeschreibung Guff was a lost man. Leading a secret life as Vance McCarthy, the MMA Champion Fighter, was not enough for him. His lover had been murdered a few years back and he was living life from one day to the next. A friend told him about an underground porn fighting organization. Deciding to give it a shot, he shows up and gives it a whirl. Each day for a week, every fighter, be they straight or gay, fights an opponent. The loser is strapped to a bench and used by the one who defeated him while an audience watches. When done, the owner of the studio auctions off the loser to one member of the audience who then gets to make use of the loser in any way he sees fit, as long as no injuries are caused. The fights and the entertainment following the fights is filmed and put online. At the end of the week, a big fight, with all the previous winners is staged and only one can remain standing as the Grand Champion. Guff is paired with Charles and over the next few days they develop feelings for one another. Will Charles be the man who finds Guff and sets him free?
