Von Jack Campbell : The Lost Stars: Imperfect Sword (book 3): A novel in The Lost Fleet universe before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lost Stars: Imperfect Sword (book 3): A novel in The Lost Fleet universe:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Great

readVon GBHThe only reason I don't rate this book 5 stars is that nothing is good. Jack is a great writer. I've read almost all of his books. If you haven't read his JAG series, I highly recommend that you do. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Kommt wieder in Schwung Von Komiker Ich muss zugeben, ich finde die Lost Stars-Reihe inzwischen angenehmer zu lesen als die Beyond the Frontier-Reihe. Es zeigt, was eine generationenlange Diktatur für Verhaltensmuster provozieren kann, insbesondere das mangelnde Vertrauen unter Menschen, das Stück für Stück aufgebaut werden muss. Die Kampfszenen waren sehr gut geschrieben, die politischen Szenen auch schön inszeniert. Alles in allem, klare Kaufempfehlung. 1 von 1 Kunden fanden die folgende Rezension hilfreich. War spannend, aber leider kurz wie immer Von Rob Campbell's Strke liegt in Beschreibung von Weltraum- und Bodenkmpfen, weniger in seinen Charakterdarstellungen, und die gibt es hier wieder. War spannend und gute Unterhaltung - aber recht kurz. Der letzte Band von Lost Fleet, den ich mir gekauft hab (Guardian) hat mir im Vergleich zu diesem dritten Band von Lost Stars deutlich schlechter gefallen. Angenehm der günstige Preis, der bei den vorigen Bchern erst ca. 1 Jahr nach Erscheinung auf ein paar Euro gefallen ist. Wer die Serie mag, kann nichts falsch machen, die Story von Midway wird erfolgreich weiter gesponnen.

Kurzbeschreibung Renewed Revolt. President Gwen Icen and General Artur Drakon successfully liberated the Midway Star System from Syndicate rule, but the regime won't surrender without a fight. Their former leaders have ordered the rebels terminated with extreme prejudice and the system's citizens punished for their defiance. Outnumbered, Midway's warships are no match for the fleet preparing to strike. But the Syndicate isn't the only threat facing Icen and Drakon. A former ally has taken control of the Ulindi Star System, the first calculated move toward establishing his own empire. As Midway erupts in violence, Icen and Drakon face a renewed revolt, leaving them vulnerable to trusted officers just waiting for an opportunity to betray them... Pressestimmen A fast-paced thrill ride that leaps nimbly from harrowing to heartbreaking to heroic. Publishers Weekly The ride is worth it. Fans of the numerous military science fiction will find something to like here. SFRevu A wonderful action-packed installment This is the kind of book that leaves me hungering for another helping of Campbell's space combat. Fantasy Literature Kurzbeschreibung Renewed Revolt.
