different guys following the same story from different angles. Those having read his two previous novels one meets again Payne and Jones and Nick Dial. The book is written with a great flow and indeed makes a gripping yarn, easy to read and not at all boring. The style is however not as flat as it used to be. Kuzneski managed to give its eading personalities a bit of depth, even tough that is very so slighty. But he can not really get around to describe persons in terms of stereotyps. His writing is always a bit like a film script and one can see the space for the commercial breaks. In his first book Kuznewski asked the question: Why did Americans have to make a joke out of everything? - yes, why indeed and why Kuznewski too. The book is plastered with this kind of lines, but at least he gives a reason for it. Maybe I am just to European for it. All in all, it is a book which clearly entertains the reader, it is fast running thriller, but in terms of language, style and personalities much remains missing. But he has become better and is indeed quite entertaining. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Spannendes Buch Von Michael Hibbeler Spannendes Buch, das in keiner Phase langweilig wird. Der Autor lt einen lange im Dunkeln, wie die beiden Handlungsstrnge wohl zusammenfinden. Alles in allem sehr empfehlenswert. Ich lese noch weitere Bcher von Chris Kuzneski.

Kurzbeschreibung Hewn into the towering cliffs of central Greece, the Metora monasteries are all but inaccessible. The Holy Trinity is the most isolated, its sacred brotherhood the guardians of a long-forgotten secret. In the dead of night, the sanctity of the holy retreat is shattered by an elite group of warriors, carrying ancient weapons. One by one, they hurl the silent monks from the cliff-top - the holy men taking their secret to their rocky graves. Halfway across Europe, a terrified academic fears for his life. Richard Byrd has nearly uncovered the location of one of the Seven Ancient Wonders - the statue of Zeus and his mighty throne. But Byrd's search has also uncovered a forbidden conspiracy, and there are those who would do anything to conceal its dark agenda... Pressestimmen "Chris Kuzneski writes with an energy that is contagious!" -James Rollins, USA Today-bestselling author "A reader's delight from beginning to end. Tautly written, expertly told, smart, and exhilarating." -Steve Berry, New York Times-bestselling author Kurzbeschreibung Hewn into the towering cliffs of central Greece, the Metora monasteries are all but inaccessible.
