KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Simply deliciousVon LichtkindYou love a heart touching story, cooking spirituality? Then this book is a must-read. But I can't guarantee that you won't get hungry by reading it (at the end of the book are some recipes). ;) It is a pleasure to read how a cooking course with heart and some magic changes the lives of all participants...I can highly recommend using

some of this magic when you are cooking like I'm doing it! The eaters will notice it!!

KurzbeschreibungCamilla's Cucinotta: Italian Cooking Classes. Fresh take-home pastas sauces daily.Benvenuti! (Welcome!) Holly Maguire's grandmother Camilla was the Love Goddess of Blue Crab Island, Maine--a Milanese fortune-teller who could predict the right man for you, and whose Italian cooking was rumored to save marriages. Holly has been waiting years for her unlikely fortune: her true love will like sa cordula, an unappetizing old-world delicacy. But Holly can't make a decent marinara sauce, let alone sa cordula. Maybe that's why the man she hopes to marry breaks her heart. So when Holly inherits Camilla's Cucinotta, she's determined to forget about fortunes and love and become an Italian cooking teacher worthy of her grandmother's legacy. But Holly's four students are seeking much more than how to make Camilla's chicken alla Milanese. Simon, a single father, hopes to cook his way back into his daughter's heart. Juliet, Holly's childhood friend, hides a painful secret. Tamara, a serial dater, can't find the love she longs for. And twelve-year-old Mia thinks learning to cook will stop her dad, Liam, from marrying his phony lasagna-queen girlfriend. As the class gathers each week, adding Camilla's essential ingredients of wishes and memories in every pot and pan, unexpected friendships and romances are formed--and tested. Especially when Holly falls hard for Liam . . . and learns a thing or two about finding her own recipe for happiness.
