**Von Anne Boleyn Henry VIII : The Love Letters Of Henry VIII To Anne Boleyn: With Notes (1906) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Love Letters Of Henry VIII To Anne Boleyn: With Notes (1906) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fr die Sammler und Interessierten wirklich schn.Von KaddiIch bin sehr an dem Zeitalter der Tudors und den ganzen Vorgngen interessiert und sah dieses Buch als Vervollstndigungmeiner Sammlung an.Es ist schn, dass die meisten Briefe noch erhalten sind und dass sie gedruckt wurden.Die Aufmachung des Ganzen htte man allerdings schner gestalten knnen. Von den Briefen findet man (ber die google Suche) die Originale abfotografiert. Eine Abbildung der Originale neben den Briefen wre sehr wnschenswert gewesen.Zur Veranschaulichung wre dies auch sehr vorteilhaft

gewesen.

**Kurzbeschreibung**The Letters of Henry VIII to Anne Boleyn, perhaps the most remarkable documents of the kind known to exist, were published at Oxford in 1720. They appear to have been written after Anne Boleyn had been sent away from court, in consequence of reports injurious to her reputation, which had begun to be publicly circulated. Her removal indeed was so abrupt that she had resolved never to return. The king soon repented his harshness, and strove to persuade her to come back; but, it was a long time, and not without great trouble, before he could induce her to comply. Excerpt:Consider well, my mistress, that absence from you grieves me sorely, hoping that it is not your will that it should be so; but if I knew for certain that you voluntarily desired it, I could do no other than mourn my ill-fortune, and by degrees abate my great folly. And so, for lack of time, I make an end of this rude letter, beseeching you to give credence to this bearer in all that he will tell you from me. Written by the hand of your entire Servant, H.

**R.Kurzbeschreibung**The Letters of Henry VIII to Anne Boleyn, perhaps the most remarkable documents of the kind known to exist, were published at Oxford in 1720. **R.Synopsis** The Letters of Henry VIII to Anne Boleyn is perhaps the most remarkable document of the kind known to exist. The letters appear to have been written after Anne Boleyn had been sent away from court, in consequence of reports injurious to her reputation, which had begun to be publicly circulated. Her removal indeed was so abrupt that she had resolved never to return. The king soon repented his harshness, and strove to persuade her to come back; but it was a long time, and not without great trouble, before he could induce her to comply. This book is very different from other works on the same topic and two of its letters-the fifth and the thirteenth-are not comprehended in the Vatican collection. Of the seventeen letters here included eight were written in English and nine in French.
