Von Sandra Hill : The Love Potion: A Cajun Novel (Cajun Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Love Potion: A Cajun Novel (Cajun Books):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Light hearted funVon K. LiningerWhat a fun book. Crazy characters who you just fall in love with and mix into that voodoo

spells and cajun legends. Bad boy Luc has always loved prissy Sylvie but never able to admit it and same goes for Sylvie. A love potion helped them overcome their blinders. Find out what crazy things they do in the name of love. Meet Luc's crazy Tante Lulu what a riot with her chickens and statues for lost causes. You find yourself laughing out of your seat.0 von 0 Kunden fanden die folgende Rezension hilfreich. Fantastic read.....Von Elizabeth BenwayThis is the first book I have read of Ms Hill's and if this story is any indication of what she is capable of, then I have to say I have been missing out on some fantastic books. I am truly hooked on this author now and I am going to dig her other books out and read them as soon as possible. Lucien LeDeux has been labeled 'bad boy of the bayou' since childhood and for good reason, as he has made the label a self-fulfilling prophecy with his audacious teasing of the Creole-born Sylvie Fontaine. He issues a threat to her at a school dance when they were both thirteen, that they would one day slow dance in the nude. Now twenty years later, he still feels a strong urge to shock and dismay her. Luc is a lawyer and his brother's dilemma demands that he seek Sylvie's expertise as a chemist to test contaminated bayou water for oil spillage from his father's company. Upon his arrival in her lab, he encounters her in the midst of a secret experiment and as always he 'rattles her cage' and in the chaos he unintentionally eats her jelly beans that is loaded with a love potion that she has invented. She was on the verge of testing it on a human subject and is freaked out when her childhood nemesis gulps down the potion that she knows will make him sexually hungry for her. At this point is when the fun begins! I absolutely loved this story! It is outrageously funny and the romance is wonderful. Not only was the story of the hero and heroine great but the secondary characters were enjoyable as well, from Luc's lovable little aunt Tante Lulu to Samson and Delilah, Sylvie's 'in love lab rats', this story held my interest from the first to the last page. This book is a romance reader's dream!0 von 0 Kunden fanden die folgende Rezension hilfreich. Recipe for Love PotionVon XeneriAdd one aristocratic and extremely shy Creole chemist; one sexy cajun `Bad Boy of the Bayou", and a bowlful of "special doctored" jelly beans, and you get a steamy, lighthearted, romantic comedy set in the heart of The Big Easy.Dr. Sylvie Fontaine has invented a real live honest-to-goodness love potion. Experimenting, she places the potion along with her own enzymes, into a bowlful of jellybeans to use later on her volunteer test subjects. Imagine her horror when they get accidentally eaten by her childhood nemesis, Lucien LeDeux, bad boy attorney with a penchant for "sloooooo dancing".....and that's when the fun begins....LOVE POTION is filled with romantic sparring, playful erotic chemistry and delightfully kooky supporting players (not to mention a couple ofum.....lovesick lab rats) set in the steamy atmosphere of New Orleans. If you like your romance with a touch of comedy, you'll have a great time with this book.As they say in the Big Easy, LOVE POTION is a little bit of laniappe. Read when you want some lighthearted fun.

KurzbeschreibungA love potion in a jelly bean?Fame and fortune are surely only a swallow away when Dr. Sylvie Fontaine discovers a chemical formula guaranteed to attract the opposite sex. Though her own love life is purely hypothetical, the shy chemist's professional future is assured . . . as soon as she can find a human guinea pig.The only problem is the wrong man has swallowed Sylvie's love potion. Bad boy Lucien LeDeux is more than she can handle even before he's dosed with the Jelly Bean Fix. The wildly virile lawyer is the last person she'd choose to subject to the scientific method.When the dust settles, Sylvie and Luc have the answers to some burning questions: Can a man die of testosterone overload? Can a straightlaced female lose every single one of her inhibitions? And they learn that old-fashioned romance is still the best catalyst for love.KurzbeschreibungA love potion in a jelly bean?Fame and fortune are surely only a swallow away when Dr. Sylvie Fontaine discovers a chemical formula guaranteed to attract the opposite sex.
