Ein echter PageturnerVon Little DorritEin schnes Buch! Habe es in einem Rutsch durchgelesen. Sehr unterhaltsam, sehr lustig. Gut erzht und das Setting ist brilliant gewhlt. Ich will von der Handlung nichts vorweg nehmen, kann das Buch aber jedem als Sommerlektre empfehlen.

KurzbeschreibungFamous novelist Anne-Marie Langdale thought that living at the couples-only Caribbean resort she created would inspire her. But instead the Queen of Romance appears to have writers block. Convinced that attracting gorgeous young guests like the heroes and heroines in her books will get her creative juices flowing again, Anne-Marie runs a competition: three head-over-heels couples will win an all-inclusive fortnight at The Love Resort. As the beautiful competitions winners arrive, so too do Hollywoods hottest newly-weds, looking for a honeymoon hideaway from the worlds press. With such romance in the air, and all this publicity, Anne-Maries next novel looks set to be a huge bestseller. Except that none of the guests are quite what they seem.
