Lustig Von Booky Ich mochte diesen kurzweiligen Roman sehr. Es kommen einige schrge Charaktere vor, was mir persnlich immer gut gefllt. Es ist nichts Dramatisches an diesem Buch, sondern viel zum Lachen und Freuen.

Kurzbeschreibung The small town of White Oak Lake, Louisiana, is home to a group of colorful characters, three of whom take their Cupid duties seriously. Their pet project is Jaclyn Wyatt, a single mother who, in their opinion, needs a little help in the romance department. Jaclyn doesnt agree, but the trio secretly springs into action when a newcomer arrives. Morgan Chassion retreated to White Oak Lake to mentally and emotionally recover from losing her father, being dumped by her girlfriend and the final insult, losing her job. The past few months have not been kind and solace is what she needs, but complication is what she gets. Loves potion is being brewed in White Oak Lake. The recipe is simple, two lonely hearts, a little time, and a dash of vulnerability. Add a little heat and the potion is complete.
