Von Grace Burrowes : The MacGregor's Lady (MacGregor Series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The MacGregor's Lady (MacGregor Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Not as good as I hopedVon Avid ReaderI have enjoyed some of the other books of this series, and expected a fun read, but the stubbornness of the two protagonists, especially the American girl's, was a bit too much for me, and verged on tiresome before they finally came to their senses. Too late, in my opinion.

KurzbeschreibungWhat if the steps they take to avoid marriage... The last thing Asher MacGregor, newly titled Earl of Balfour, wants is a society wife, though he has agreed to squire Boston heiress Hannah Cooper about the London ballrooms. When he's met that obligation, he'll return to the Highlands, and resume the myriad responsibilities awaiting him there....Lead instead to impossible love? At her step-father's insistence, Hannah Cooper must endure a London season, though she has no intention of surrendering her inheritance to a fortune hunter. When she's done her duty, she'll return to Boston and the siblings who depend upon her for their safety... or will she? The taciturn Scottish earl suits her purposes admirably-until genuine liking and unexpected passion bring Asher and Hannah close. For if the Scottish earl and the American heiress fall in love, an ocean of differences threatens to keep them apart.The MacGregor SeriesThe Bridegroom Wore Plaid (Book 1) Mary Fran and Matthew (Novella)Once Upon a Tartan (Book 2)The MacGregor's Lady (Book 3)What a Lady Needs for Christmas (Book 4)"Burrowes' powerful and complex characters will enthrall you." RT Book sPressestimmen"Burrowes has a knack for giving fresh twists to genre tropes and developing them in unexpected and delightful directions. This novel is a perfect example of her consistently excellent writing, deep and layered stories, and intelligent and compassionate characters." - Publishers Weekly"Burrowes brings strong conflict and emotion to a very appealing cast. Her secondary characters are as colorful as the hero and heroine..." - Booklist"A powerful and moving romance... A deeply engrossing, well-written, not-to-be-missed novel! 4 1/2 Stars, Top Pick! " - RT Book s"A great conclusion to the MacGregor Trilogy. The whole series has me laughing out loud at the characters antics and this story was no different" - Historical Romance Lover"Once again Ms. Burrowes gives us a new couple to care for, while bringing in characters that we grew to love from previous books." - First Page to the Last"Grace Burrowes has a remarkable ability to bring the environment to life. The scents and sounds, even the feel and look of the soot from the foul smelling coal seem real. However, her special talent for developing strong, memorable characters is the very best part of her novels." - Long and Short s"[An] engaging, deliciously sensual, superbly written romance by one of the genre's rising historical stars." - Library Journal"Both Asher and Hannah are well - rounded, and I found them to be some of the most likable characters I've read about in a historical romance." - Fresh Fiction"Grace Burrowes is a born writer and I have yet to read a book by her that did not include a strong sense of time and place... [This] is another in a long string of winners by this author who does not seem to be slowing down one bit in her creative output." - All About Romance"Torture. Torment. Delicious despair. Those words pretty much sum up The "MacGregor's Lady".. Reading this book is ultimately a rewarding, if cathartic, experience." - Heroes Heartbreakers"This story has just the right amount of adventure, passion and lovely description to whisk me away from the every day mundane" - Bitten By Love s"I love romances in which independent characters come together in the name of love. I enjoyed it even more in The MacGregor's Lady as both are so set against getting married, yet fate has decided differently." - Bookloons"A feast of characters, decisively written and a pleasure to read!" - Eyes.2c s"Grace's writing has a the gift of drawing you into the setting and falling in love with the characters." - Under the Boardwalk"I loved the tenderness and the heart of the story. The characters were amazing." - Royal s"Epic and beautiful... Burrowes is truly one of the best historical authors I've read." - Romancing the Book"A fast paced tale of sacrifice, secrets, passion, deception, lies, misunderstandings, and love." - My Book Addiction s"Absolutely enchanting." - Romance JunkiesKurzbeschreibungWhat if the steps they take to avoid marriage...
