short and steamy read Von Kate Corner I've never read a mini-series before so I think when I first started reading it I was under the impression that it would be a novella. Ok so mini-series as in books indicates that it is going to be short. I felt as if it was too short though. Besides that fact I enjoyed it very much. The steaminess in the book is good and it was easy to read. I'd have liked to know more about the characters i.e. Charlotte and Lord Byron.

Kurzbeschreibung When Master Byron makes a pass at Charlotte the housemaid, and some unexpected visitors turn up, the cupboard beckons. A sweet erotica romance short story.
