KurzbeschreibungHe thought he was finished rescuing damsels in distress. After all, hadn't playing hero gotten millionaire Devlyn Wolff into enough trouble? Still, when a car accident lands Gillian Carlyle at his feet, he can't walk away even when he learns of her connection to his past. Giving Gillian a job with his new business venture is not Devlyn's way of assuaging age-old guilt. Nor is it a way to keep her close. At least he tells himself that, even as he knows seducing the maid's daughter will lead him where he never meant to go. KurzbeschreibungHe thought he was finished rescuing damsels in distress.
