Definitely worth picking up!Von Sarah PearsonThis is the first book I've read by Ms. Becnel, and it certainly won't be the last! When Linnea, the second born of twin girls and supposedly cursed, finds out her sweet twin sister is to marry the man who takes over their castle, she makes a desperate switch and becomes the wife to the man who vowed

revenge on their family. Because she is not Beatrix, the marriage is a farce and her family hopes to shame him. Although she sets out to hate him, her body betrays her and, finally, her heart. But when the truth of the deception is revealed, will she be able to hold up under her love's condemnation? Definitely a good romp, and a wonderful story. I'd recommend it to anyone who like medieval romance and strong heroines. Sarah Pearson 0 von 0 Kunden fanden die folgende Rezension hilfreich. LOVE AT FIRST READ!!! Von Ein Kunde I loved this book! Becnel wrote a fabulous story with great characters. You're won over by both Linnea and Axton. As a college student, I look for ways to escape stress and this certainly achieved that goal!!! I found myself wanting to be Linnea and to be wanted by Axton! One of the best romance novels EVER! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Loved this book! Von Ein Kunde This is the first of many books I will read by Ms Becnel. The characters she created in this book were so great. I like her writing style. The gold and ruby chain was a new approach and very interesting. I definitely recommend this book.

Kurzbeschreibung A noblewoman takes her twins place in marriage to a Norman invader in this absorbing, sexually charged medieval romance from a USA Today bestselling author (Publishers Weekly). All her life, Linnea de Valcour has been reviled as the cursed daughter of Maidenstone Castle. The younger of identical twins, she narrowly escaped a death sentence at birth. To save her beloved sister from marriage to the savage Norman conqueror who has laid siege to their castle, Linnea will sacrifice her own happiness by engaging in a dangerous deception. Years of exile have driven Axton de la Manse to the brink of despair. Now he will have his vengeance by taking his enemys most prized possession, his eldest daughter. Once they wed and she is carrying the de la Manse heir, no one can dispute his claim to Maidenstone, the stronghold stolen from his family. That is, until the unthinkable happens: He loses his heart to his bride, whose own desires ignite a fierce longing deep within Axton. Is their growing love enough to overcome the lies and treachery that could drive them apart? With enthralling characters, passionate romance, and spellbinding adventure, the award-winning author of *The Matchmaker* and *The Bridemaker* demonstrates that she is a master of her craft (RT Books).
