Pirate Heaven!Von Suzanne Coleburn, The Belles Beaux of RomanceI seem to be in pirate heaven this month! THE MAIDEN'S REVENGE by new author Hillary Fields reminds me again just how much I love a swashbuckler. And

this time the pirate is a woman. Captain Thorne is the very beautiful Lynnette Blackthorne, as cold as steel, and a vengeful woman who is highly skilled and determined to destroy the man who murdered her sister and destroyed her father. No one will deter her from this purpose. Of course, we all know once we utter a statement like this there will be a man who will come along and try and tear down our defenses don't we? I have to say Ms. Fields couldn't have created a more superb specimen of manhood than that of Captain Daniel Bradley. The man is magnificent! He is tall, with thick black hair and silvery eyes, strong and lean, well spoken and with the manners and a gentleman. Everything was proceeding according to plan with Captain Thorne until she captured Daniel and his ship and held him for ransom. She takes him to her island to await the ransom money. Daniel is determined to get the upper hand with the beautiful pirate queen for he's never back away from a fight yet. The two stubborn, strong willed captive and captor don't reckon with the volatile sexual attraction that flares up between them. Wow, this is one passionate adventure you don't want to miss! This is it, my lips are sealed, lock, stock and barrel. The only thing you can do is by buying this book to find out what I know-I'm ready for the next Hillary Fields novel. **THE MAIDEN'S REVENGE** is pirate heaven! Suzanne "Oh, For A Month On No-Name Island With Daniel, No, Make That A Year!" Coleburn "Hillary Fields is a fresh new voice that brings a heap of fire and sensuality to sizzle your senses, and enough treasure to fill ten pirate's chests to overflowing with **THE MAIDEN'S REVENGE**." 0 von 0 Kunden fanden die folgende Rezension hilfreich. Pirate's Romance at its best! Von Claire I've always loved Pirate romances but unfortunately i have rarely find pirate romances who could really be satisfying. But this one is good - really good. For a change the pirate is a woman and the captive a man. The dialogue between them is witty and the story is exciting and intriguing. Although i like Pirate romances, lately i had begun to get bored by them because they always follow the same line of story - dashing buccaneer abducts damsel etc. This time, its the **WOMAN** who abducts the man- refreshing change for a start. The way Ms Fields also describes the pirate world makes you feel almost as if you could view it - you feel transported back in time to that roguish world of cutlasses and rapiers. Seeing that this is only Ms Fields first book i eagerly wait for her second and hope its as good as this or better! I recommend this book to whoever likes Pirate romances and who is also sick and tired if romances where the heroine is always a weak spineless creature!. Here Ms Fileds certainly does not disappoint. A must! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Reads like a true classic! Von Ein Kunde I will admit that I bought **THE MAIDEN'S REVENGE** purely because of the original storyline and cover art. I truly did not expect it to be as well written and to flow as smoothly. It felt as if I was reading a classic while I read of the adventures of Lynnette and Daniel. Have you ever been reading along and discovered that some part of a book sounds exactly like another? Well, that was not the case with **THE MAIDEN'S REVENGE**. It did, however, remind me of *Gone With The Wind* in the manner of the style of writing and the way that you feel like you are part of the storyline. **THE MAIDEN'S REVENGE** is much spicier than *GWTW*, though! I wouldn't mind being wrapped up with Captain Daniel Bradley! Whew, what a man! Ms. Fields delivers a tastefully, saucy, swashbuckling tale about a piratess and merchant who are captivated with being captivated with one another! This is one that I am glad that I didn't pass up...

Kurzbeschreibung THE PIRATE One of the fiercest pirates on the Main, the legendary Captain Thorne can raid a ship and wield a cutlass with the best. Woe betide any man who desires to get past the tempered steel to the woman holding it. Lynnette Blackthorne-- a.k.a. Captain Thorne-- sails the high seas with only one goal: vengeance against the man who murdered her sister. Nothing will stand in her way-- especially not a silver-eyed rogue with the power to make her tremble and lose her wits to the madness of passion. **THE CAPTIVE** Everything that matters to Captain Daniel Bradley-- his ship, his business, his future -- has been stolen away by this beautiful buccaneer now holding him for ransom. His desire to kiss that smug look off her face is rivaled only by his determination to beat her at her own game. He's never encountered a threat he hasn't conquered, and no half-sized pirate wench is going to break his record of victory. **THE SURRENDER** Now, the duel of wits and desire that began the moment they first laid blazing eyes on each other is about to play out in a collision course of passionate adventure...as two formidable opponents discover the ecstasy of surrendering to the only force stronger than themselves: love. **Pressestimmen** "Ms. Fields makes a refreshing splash with this sexy first novel."-- Patricia Cabot, author of *An Improper Proposal* "Who wouldn't like a good, swashbuckling pirate story? Especially when the pirate is a woman!...a grand adventure."-- Kat Martin
