Von Janwillem van de Wetering : The Maine Massacre (Grijpstra-de Gier Mysteries Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Maine Massacre (Grijpstra-de Gier Mysteries Series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Atmospheric Thriller!Von Ein KundeI loved this book. I've loved all the books in the series, but this one really sucked me in. The characterizations and plot descriptions are so realistic I felt as if I were in rural Maine too. Like the last

reviewer, and also a foreigner, I found myself giggling at the cultural differences- they are so true! I've recommended this book and author to all my friends- mystery lovers or not, this guy has something for everyone.0 von 0 Kunden fanden die folgende Rezension hilfreich. de Gier and the commissaris do America.Von Ein KundeI don't even care much for mysteries but this one caught my eye while in a physical bookstore looking for the new Burke novel by Andrew Vachss. The book is interesting because the characters are real; this one gives a peculiarly Dutch perspective on American culture, which at times is laugh-out-loud funny, like de Gier, in his eternally curious cop mode, wondering why on earth anyone would buy bags of ice.0 von 0 Kunden fanden die folgende Rezension hilfreich. A mystery that's light and darkVon Ein KundeMost of the time you read mysteries for a quick easy read. This detective team is deep, soulful, and pragmatic all at once. I love the atmosphere this book contains and the ability to inject a realistic soul into the writing. I have only read one other book in the series, but I will be reading more. This is a perfect mystery to discover. You get Amsterdam, philosophy, and a great who done it.

The best of the van de Wetering mysteries so far.The New York Times"Never before have [van de Wetering's] strengths seemed so strong: the genuine humor, decency, and wisdom of his Amsterdam policemen positively glow."Kirkus sPraise for Janwillem van de Wetering "Mr. Van de Wetering's policemen are just as likely to . . . marvel at human nature as to shoot it down." The New York Times [A] unique atmospheric mix of police procedure, quirky characters, and Zen outlook. The Boston Globe "[Van de Wetering] is doing what Simenon might have done if Albert Camus had sublet his skull." John Leonard"What makes this series so engaging is that the policemen are as quirky and complicated as the criminals."
