Von Kay David : The Man from High Mountain (Love That Man) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Man from High Mountain (Love That Man):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Superb romantic suspenseVon Ein KundeJack Matthews is so proud of how far he has come. His wife Taylor is even more proud of the success of her beloved husband. However, she has some doubts about the almost West Texas two-thousand acre ranch he purchased that has poor accessibility. Local guide Cole Reynolds escorts the couple on foot to Diablo when someone fires shots at them. Jack is killed and a wounded Cole barely carries a severely injured Taylor off the mountain. She recovers in a small hospital before returning to her Houston home.Two years later, Jack's business partner Richard Williams pressures Taylor into marrying him. She delays her answer as she realizes she needs closure. As Richard travels to Europe on business, Taylor returns to High Mountain to confront her demons. She

pleads with Cole, but he initially refuses because of his damaged hip. It is a reminder of their previous trek and does not allow overnight wilderness trips. Still, he fears for her life and finally acquiesces to take her back to the sight of the incident. Unbeknownst to either of them, trouble still lurks around the corner and danger mounts. As their lives spiral further into jeopardy, the intrepid duo fall in love. However both realize that they must first deal with the mortal danger they face from an unknown assailant and subsequently they must put to rest the ghost of her beloved Jack. THE MAN FROM HIGH MOUNTAIN is an exciting romantic intrigue that sub-genre readers will find very entertaining. The story line is fast-paced and filled with action. The lead protagonists are a wonderful pair that will garner much empathy. Though the villain seems a bit too obvious in a butler did it kind of way, Kay David provides readers with an entertaining, sizzling story. Harriet Klausner

Kurzbeschreibung Cole Reynolds is an outsider. He's lived in High Mountain all his life but never felt he belonged. That's okay, though. He's a man who likes his space and in West Texas there's plenty of it. But everything changed the day he met Taylor Matthews. He was guiding Taylor and her husband through a remote part of the desert when someone shot at them. Cole and Taylor were wounded and her husband was killed. Now Taylor's backdetermined to find out what really happened. And like it or not, Cole knows he has to keep her safe. Kurzbeschreibung Cole Reynolds is an outsider.
