**Von Rachel Lee : The Man from Nowhere (Conard County Conard County: The Next Generation series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Man from Nowhere (Conard County Conard County: The Next Generation series):

Romantic suspense at its bestVon Kunde"The Man from Nowhere" is a masterpiece of romantic suspense.After finishing the book for the first time I reread i at once. So far I haveread it five times.Despite the mystery it tells, the story seems to be straightforward.But in the end it has such a surprising twist that it makes the storyone of Rache Lee's

best novels. It is a story I would love to see as a movie!!! I am looking forward to read more from Conard County Next Generation.

Kurzbeschreibung Just coming off a bad relationship and stuck in a work-related nightmare, Trish Devlin doesn't need more stress. So when she spots a stranger lurking outside her home, it's the last straw. Yet she's drawn to this compelling man who claims to have visions of her impending murder and offers protection. Grant Wolfe can't explain why he feels compelled to defend the skeptical beauty, but he ignored a premonition once before with deadly consequences. Can he convince Trish that his visions are based in an all-too-dangerous reality or will the killer get her before their love has a chance?
