Von Shelly Laurenston : The Mane Attraction (The Pride Series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mane Attraction (The Pride Series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. The

third in the Pride-series Von S. Fischer The Mane Attraction can be read on its own, but it's more fun if you know the books preceding it. That would be the Magnus Pack-series, which introduces the shifter culture (the titles are: Pack Challenge, Go fetch!, Here, kitty, kitty!, and Miss Congeniality in the anthology 'When he was bad'). The Pride-series starts with 'The Mane Event', 'The beast in him' is the second and 'The Mane attraction' the third in the series. We get to know Mitch and Sissy Mae, as well as several other characters that show up in 'The Mane Attraction' in the first two books. Lion-shifter Mitch is in extreme danger since the undercover cop is the only witness against a mob boss. When he is shot down at the wedding of some shifter friends, Sissy Mae Smith decides that the safest place for him is in her hometown. The tricky bit? This little Southern town is inhabited by wolf-shifters only - and Sissy Mae's family is less than happy when she not only brings a lion-shifter into town, but also starts a hot affair with him.... Just like the rest of the shifter-books, this is an entertaining novel with a lot of humour and eroticism, more so than usual in most paranormal romance novels. I enjoyed the book and the whole series, and in this particular novel, I really liked the atmosphere and peculiarities of a small town that's inhabited by shifters. I'd definitely enjoy it if Laurenston took us back there sometime in another Pride-novel.

Lion meets wolf Von Helen Hancox Shelly Laurenston's series about various wolves, lions, wild dogs and other shapeshifters continues with 'The Mane Attraction'. This was an enjoyable enough read, if a little light on actual plot elements. The hero, Mitch Shaw, is about to testify in a serious case and will have to go into witness protection afterwards. When a bounty is put on his head and he is almost killed, his friend Sissy Mae Smith takes him to safety to stay in Smithville, her family's town. Of course there's nothing between Mitch and Sissy Mae who are just good friends. Sissy Mae has a wanderlust combined with a need to be with her family and Mitch will soon be living under a new name and in a new place. But as they share each others' lives and Mitch finds himself getting involved in Sissy's life and events in her hometown, the boundaries change. But is there any future for them, and can Mitch be kept safe? As mentioned above, the plotline of the threat against Mitch is actually fairly subordinate in this book. Most of the content is the verbal banter between Sissy Mae and Mitch and it's very well written. I've read several of these books but I still get very confused by all the first names - Bubba Ray, Sissy Mae, Bobby Ray, Janie Mae, Ronnie Lee, Jackie Ray etc - as well as the few surnames for these big clans - Smith, Reed, Shaw etc. Still this was a reasonable read about two strong people learning about giving up control to each other and being supportive. Originally published for Curled Up With A Good Book Helen Hancox 2008

Kurzbeschreibung Even the king of the beasts can find himself unexpectedly tamed by the right woman. . . Weddings have the strangest effect on people. Exhibit 1: Sissy Mae waking up in Mitch Shaw's bed the morning after her brother Bobby Ray's nuptials. Exhibit 2: the gunmen trying to kill Mitch. Exhibit 3: Sissy Mae escorting a bleeding yet sexy lion shifter to her Tennessee Pack's turf for safe keeping. It doesn't help that Mitch's appraising gaze makes her feel like the most desirable creature on earth. . . Mitch is an undercover cop about to testify against some dangerous ex-associates. Even more worrisome, he's harboring hot, X-rated fantasies about one fast-talking little canine--and he has to deal with every male in Sissy Mae's Pack sniffing around her in a way that makes his hackles rise. Mitch has his pride, and he intends to show Sissy Mae that when a lion sets out to make you his mate, the only thing to do is purr, roll over, and enjoy one hell of a ride. . . "Laurenston's latest couple is unabashedly sexual, which makes their emotional battle of wills all the more enjoyable." --Romantic Times

Synopsis Weddings have the strangest effect on people. How else to explain the fact that Sissy Mae Smith woke up in Mitch Shaw's bed the morning after her brother Bobby Ray tied the knot? Or that gunmen are trying to kill Mitch, and Sissy Mae now has to escort a bleeding, stubborn, yet still incredibly sexy lion shifter to her Tennessee Pack's turf to keep him safe? It doesn't help that Mitch's appraising gaze makes her feel like the most desirable creature on earth, or that the ultimate stray cat is suddenly acting all kinds of possessive... Mitch is an undercover cop who's about to testify against some dangerous ex-associates. Even more worrisome, he's harbouring hot, X-rated fantasies about the fast - talking little canine - and he has to deal with every male in Sissy Mae's Pack sniffing around her in a way that makes his hackles rise. Mitch has his pride, and he intends to show Sissy Mae that when a lion sets out to

make you his mate, the only thing to do is purr, roll over, and enjoy one hell of a ride...
