KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Grisly but page turners.Von expatThese books are not for the squeamish.It is like reading a "book -version "of the series Criminal Minds. If you enjoy the series you will also find the books great.They are well written, have very likeable protagonists and good story lines.Can recommend them to anyone who wants to read something that will stop them doing anything else ,like housework etc.As I mentioned -page turners-unputdownable.

KurzbeschreibungDiscover the brilliant DI Charlotte Savage - the first three books in Mark Sennens bestselling seriesTOUCH (DI Charlotte Savage 1)Harry likes pretty things. He likes to look at them. Sometimes that isn't enough. He wants to get closer. Naughty Harry.DI Savage and her team in Plymouth are struggling with their investigation into a string of horrific attacks on young women. The victims are being drugged, abducted, assaulted and then abandoned with only a dull memory of what has happened. But when the mutilated body of one of these women is found on a beach, the case becomes a chilling murder inquiry. Stopping at just one victim will never be enoughnot for this killer.BAD BLOOD (DI Charlotte Savage 2)DI Charlotte Savage is back chasing a killer with a very personal grudgeWhen the body of a six-year-old girl is found buried beneath a patio, nobody is surprised when a local paedophile is murdered shortly afterwards. But when a member of DI Charlotte Savages team is abducted and several men are executed in cold blood it becomes apparent that theres a psychopath on the loose with no mercy for his victimsCUT DEAD (DI Charlotte Savage 3)DI Charlotte Savage is back, chasing a killer who was last at large ten years ago, a killer they presumed deadNow hes back and more dangerous than ever.When three headless bodies are found mutilated in a pit, its a particularly challenging case for DI Savage and her team. The victims bear the hallmarks of a killer who butchered girls to their death; a killer who was never caught.Could this be a copycat or has the original murderer resurfaced? With a steady stream of bodies arriving at the morgue and gruesome secrets from the past emerging DI Savage is up against it to find the killer before he strikes again?KurzbeschreibungDiscover the brilliant DI Charlotte Savage - the first three books in Mark Sennens bestselling seriesTOUCH (DI Charlotte Savage 1)Harry likes pretty things.
