She's stayed on because of her love of the ranch, not her love of the people on it. Her grandfather's dying and left her the ranch . . . only if she marries before he's dead. Hallie goes to Wes Lansing, a man her grandfather hates, and offers him an irresistible proposal, marry her and she'll deed him the land her family stole from his family. Wes agrees. But is it the land, or the woman who entices him?Rather than a traditional tortured hero, Hallie is a tortured heroine. And it's Wes's love that begins to show her

that she can chose to end her pain and seize a happiness beyond anything she ever imagined. Fox writes a very traditional romance, with a twist that leaves it feeling quite untraditional. An Alpha male with a Beta soul, and a heroine who's strong enough to survive her life and find something better. I found her books last year and can't get enough of them.

Kurzbeschreibung A husband in name only? Hallie had never even been in love now she must marry to save her home! She just needed a wedding certificate well, first she had to find a bridegroom Wes Lansing was her neighbor and the ideal candidate. Only, what could a shy virgin like Hallie offer this dynamic man?
