Von Helen Bianchin : The Marriage Deal (Mills Boon Modern) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Marriage Deal (Mills Boon Modern):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. More Romance Less ClothesVon Ein KundeI like Helen Bianchin but the development of the romance, love, and conflict of

the two characters was missing in this story. The constant focus on the attire, hotels, and other expensive items overshadowed the characters. Tell me why he let her walk away, why did she walk away, and why did he come after her? The "deal" was too contrived and I didn't really care for either character.0 von 0 Kunden fanden die folgende Rezension hilfreich. Not her best workVon Ein KundeI agree with the other person who reviewed this book. I first read Helen Bianchin about 7 years ago when I read a book by her that my grandmother had lying around. When I rediscovered her last year I was elated because I had really enjoyed her work. But "The Marriage Deal" was disappointing and I hope the next one is up to snuff.
